

# Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Link's Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

### Description

Instructor, Structural Engineering Technology

Civil Engineering Technology

Position Location: Notre Dame Campus (Winnipeg, MB)

2 Full-Time Positions Available

This competition may be used to establish a 6 month eligibility list of qualified candidates for future vacancies.

Red River College is a leader in applied learning and innovation. Our talented team of employees is passionate about education, innovation and student success. We offer competitive salaries, extensive benefits, and the opportunity for personal and professional growth in a rewarding career.

Duties: Reporting to the Chair of Civil Engineering Technology, the Instructor will deliver courses in the Civil Engineering Technology family of programs. Duties will include: course preparation, delivery, and student evaluation, the development and maintenance of course outlines, lesson plans, assignments, tests and examinations, and student records. The successful candidate will also participate in department and college committees, assist in department and college activities, and develop/modify curriculum to reflect current industry needs.

### REQUIRED QUALIFICATIONS

- A Degree in Civil Engineering specializing in structural engineering; an equivalent combination of relevant education and experience may be considered.
- Significant and relevant work experience in structural engineering
- Demonstrated experience in statics and strength of materials, structural analysis, and structural design
- Experience with analysis and lab testing in load frames
- Eligible for ACI Certified Concrete Field Testing Technician - Grade 1 certification
- Working knowledge of Microsoft Office: Word, Excel, PowerPoint, Outlook and Project
- Effective verbal and written communications skills
- Effective interpersonal and conflict resolution skills
- Demonstrated leadership skills
- Experience presenting to a diverse group of individuals
- Values Diversity, Equity, and Inclusion
- Commitment to lifelong learning

### ASSET QUALIFICATIONS

- Experience using Autodesk CAD software
- Professional designation such as P. Eng.
- Active membership in local professional association
- Teaching experience at a post-secondary level
- Experience with applied research
- ACI Certified Concrete Field Testing Technician - Grade 1 certification

### CONDITIONS OF EMPLOYMENT

- Applicants must be legally entitled to work in Canada
- This position may be required to work evenings and/or weekends
- Instructors are required to complete a Certificate in Adult Education (CAE)

### How to Apply

Applicants are to clearly demonstrate how they satisfy the selection criteria in their written submissions and must identify the competition number they are applying for in the subject line of the email

Apply to Red River College by email: [humanresources@rrc.ca](mailto:humanresources@rrc.ca)

This competition may be used to establish a 6 month eligibility list of qualified candidates for future vacancies.

We seek diversity in our workplace. Aboriginal persons, women, visible minorities and individuals with disabilities are encouraged to apply.

Competition #: 2020-059

Closing Date: June 15, 2020

Salary: \$58,158 - \$86,376 per annum\*

We thank all applicants for their interest, but only those selected for an interview will be contacted. Red River College provides accommodations to applicants with disabilities throughout the hiring process. If an applicant requires accommodation during the application or selection process, Human Resource Services will work with the applicant to meet the accommodation needs.
