

Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Links Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

Description

At Rogers, we connect Canadians to a world of possibilities and the memorable moments that matter most in their lives. Every day we wake up with one purpose in mind. To bring loved ones together from across the globe. To connect people to each other and the world around them. To help an entrepreneur realize their dream. A sports fan celebrate a special moment. Because we believe connections unite us, possibilities fuel us, and moments define us. As we grow our team, the well-being of our team members remains our top priority. To ensure the health and safety of our team members, including those in the recruitment process, our team members are working from home, and are equipped to do so safely and efficiently. Rogers is seeking a Fiber Construction Technician to construct, coordinate, and provide service and commissioning activities in support of the expanding Rogers Network. Reporting to the Manager of Network Implementation HFC & Fiber at 1 Sperling Drive in Barrie, the successful candidate will be responsible and accountable for the successful coordination of multiple construction projects to our vast growing network. In this role, you will be responsible for implementation activities, maintain detailed updates on projects which will involve working within in the office environment to ensure project commitments are met. What you will do:

- Maintain a high standard of quality, ensuring that all Rogers Technical, Construction and Safety Standards & Policies are strictly adhered to.
- Installation of all associated coax/ fiber equipment and structure in various engineering projects.
- Demonstrate a professional attitude and working relationship between fellow employees and contractors.
- Project coordination, reviewing of plans, schedules, preparation of purchase orders, material ordering, constructing, activating and working with multiple contractor resources.
- Construct, coordinate, schedule and monitor contractor forces where required.
- Ensure that project information and updates are recorded/reported to the correct parties in a timely, accurate and in a professional manner.
- Liaise with appropriate departments in a timely, accurate and professional manner.
- Accountable for the successes and challenges of project deliveries.
- Recognize, identify and correct potential problems and offer viable solutions.
- Prepare and complete concise reports.
- Understanding of Fiber splicing, testing, characterization, documentation and troubleshooting.
- Test, research and implement all new equipment and test equipment and processes into network construction.
- Learn and adhere to all applicable Health and Safety regulations, in accordance with legislation and related Company policies.

What you will bring:

- Previous CATV construction experience.
- Must be familiar with CSA and utility specifications.
- Effective organization and communication skills required in coordinating multiple projects.
- Strong knowledge of Microsoft Office Products.
- Valid Ontario driver's license.
- Willing and able to work in all weather conditions.
- Working hours and shifts will include maintenance window activities.
- Participate in on-call rotation within the Fiber Construction Team.

Preferred Qualifications:

- CATV Technical Training Level III completion.

As a condition of hire, all new employees will be required to provide proof of vaccinations against COVID 19. Any request for an exception

under Human Rights legislation must be supported by evidence to be considered by Rogers on a case by case basis.

Please click [here](https://performancemanager4.successfactors.com//RCI/Medical_Exemptions_to_Covid_19_Vaccination_EN.pdf) to review conditions that may qualify for medical exemption to the COVID-19 vaccine.

Schedule: Full time
Shift: Variable
Length of Contract: Not Applicable (Regular Position)
Work Location: 1 Sperling Drive P.O. Box 8500 (160), Barrie, ON
Travel Requirements: Up to 50%
Posting Category/Function: Technology & Engineering
Requisition ID: 225306

Together, we'll make more possible, and these six shared values guide and define our work:

- Our people are at the heart of our success
- Our customers come first. They inspire everything we do
- We do what's right, each and every day
- We believe in the power of new ideas
- We work as one team, with one vision
- We give back to our communities and protect our environment

What makes us different makes us stronger. Rogers has a strong commitment to diversity and inclusion. Everyone who applies for a job will be considered. We recognize the business value in creating a workplace where each team member has the tools to reach their full potential. At Rogers, we value the insights and innovation that diverse teams bring to work. We work with our candidates with disabilities throughout the recruitment process to ensure that they have what they need to be at their best. Please reach out to our recruiters and hiring managers to begin a conversation about how we can ensure that you deliver your best work. You matter to us!
