

Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Links Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

Job Summary

The Canadian Security Intelligence Service (CSIS) is looking for students who thrive on tackling diverse challenges in a unique environment. If you are up for the challenge and want to join one of our highest performing teams, there is no doubt that your contributions to CSIS will provide a meaningful impact to our mission of helping keep Canadians safe against national security threats. The Service is building a workforce which is representative of the Canadian society and foster diversity and inclusion. Also, it is dedicated to establish positive policies and practices related to hiring, training, promoting and retaining designated group members ensuring that employment-related needs of all persons are reasonably accommodated. CSIS offers opportunities for students to gain valuable experience in business and administration, with the possibility to return for multiple placements in different areas. Students will be given the opportunity to cultivate their skills and knowledge by being paired with experienced employees who will provide feedback during the work term. They will have the opportunity to broaden their knowledge and experience before choosing a career specialization. Internal Audit and Evaluation (Ottawa Only) Students will have the opportunity to participate in Internal Audit and/or Evaluation engagements. Activities you may be involved in (but not necessarily limited to) include:

- &middledot;ollecting, analyzing and assessing relevant information/data to achieve objectives.
- Developing data collection tools, assisting with interviews and compiling notes.

- Assisting with drafting memos, reports and providing insights into findings.
- Contributing to the review of draft documents and Branch products.

Through this co-op term, students will have the opportunity to develop internal audit and/or program evaluation knowledge and expertise.

- Explanation of how you meet each Experience criteria identified.

Various language requirements.

We encourage all interested candidates to apply.

Second language evaluation tests might be administered. At CSIS, we are not looking to simply fill student placement positions every four months. Our program is designed to identify and develop potential full-time employees. Candidates are asked to apply only once, due to the high volume of applications received. Failure to provide requested information may result in the rejection of your application. While we continue to explore opportunities for flexible work arrangements, the majority of work in our organization must be done in the office and cannot be performed at home. Note that the Internal Audit and Evaluation Branch is located in Ottawa.
