

Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Link's Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

Job Summary

The Canadian Security Intelligence Service (CSIS) is looking for students who thrive on tackling diverse challenges in a unique environment. If you are up for the challenge and want to join one of our highest performing teams, there is no doubt that your contributions to CSIS will provide a meaningful impact to our mission of helping keep Canadians safe against national security threats. The Service is building a workforce which is representative of the Canadian society and foster diversity and inclusion. Also, it is dedicated to establish positive policies and practices related to hiring, training, promoting and retaining designated group members ensuring that employment-related needs of all persons are reasonably accommodated. CSIS offers opportunities for students to gain valuable experience in science and technology, with the possibility to return for multiple placements in different areas. Students will be given the opportunity to cultivate their skills and knowledge by being paired with experienced employees who will provide feedback during the work term. They will have the opportunity to broaden their knowledge and experience before choosing a career specialization. Placement will provide opportunities in the following areas:

- Hands on work experience with projects
- Teamwork and individual contributions
- Exposure to knowledgeable and passionate subject matter experts
- Collaborative work environments
- Improve time and project management skills
- Diverse work force

Education

Candidates must be currently enrolled in a graduate level science program (Masters or Doctorate Level). Subject areas of interest include but are not limited to:

- Applied Science
- Chemistry
- Biochemistry

Experience

Candidates with experience with the following is preferable:

- Interpreting research specifications and developing a work plan that satisfies requirements.
- Conducting desktop research, and using multiple sources to gather data.
- Analyzing and interpreting patterns and trends.
- Anticipating research issues and promptly resolving them.
- Writing proposals and delivering presentations when required.
- Planning and conducting experiments
- Processing and analyzing results and data
- Collaborating with industry/academia to apply the results of research and develop new techniques, products or practices
- Working in multidisciplinary teams, with academia or industry.

Competencies

- Problem Solving
- Analytical Skills

- Teamwork
- Client Service
- Initiative

Conditions of Employment

Applicants must be registered as a full-time, post-secondary student in an accredited academic institution recognized in Canada. Priority consideration will be given to those enrolled in an accredited co-op/internship program.

Notes

How to submit application: Applicants MUST include the following information in their cover letter in order to be given further consideration:

- Location of interest. Please note you can only select one (1). Available locations are indicated at the top.
- Travel costs benefits may apply. Further information will be disclosed during the interview process.
- Job Category - Applying for a co-op placement, internship (specific to current program enrollment) or student job.
- Field of interest, as indicated in experience.
- Availability of your work term (4, 8, 12 or 16 months)
- Your current year of study and expected graduation date.

Tips for your Cover Letter and Resume:

- Tell us your story: why do you want to work for CSIS
- Work objectives.
- Technical abilities (where applicable).
- Volunteer or work Experience (where applicable).
- Projects (where applicable).

Various Language Requirements We encourage all interested candidates to apply. Second language evaluation tests might be administered. At CSIS, we are not looking to simply fill student placement positions every four months. Our program is designed to identify and develop potential full-time employees. Candidates are asked to apply once, due to the high volume of applications. Failure to provide the requested information may result in the rejection of your application.

Security Requirements

Candidates must be eligible to receive an Enhanced Top Secret security clearance. The process involves a security interview, a polygraph, and a background investigation that includes credit and financial verifications. The use of illegal drugs is a criminal offense. Drug use is an important factor considered in your reliability and suitability assessment during the selection process. Therefore it is important not to use any illegal drugs from the time you submit your application.

Others

We thank all applicants for their interest in CSIS. However, only those who are selected for further consideration will be contacted.
