

Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Links Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

Description

Posting 21-29 (Temporary full time position)

The following statements are intended to describe the general nature and level of work performed. They are not representing an exhaustive list of all responsibilities, duties and skills required.

Bishopâ€™s University is seeking a Digital Communications and Customer Relationship Management (CRM) Officer for a temporary full-time position in the Student Recruitment & Retention department. Reporting to the Manager of Student Recruitment and Retention, and providing support to the Director Student Recruitment and Retention, the Digital Communications and CRM Officer will be responsible for supporting all aspects of prospective and admitted student communications and data within the Slate CRM and will liaise with the universityâ€™s Communications, Data Management and ITS teams to ensure a coordinated effort is maintained. The incumbent acts as the subject matter expert for the Enrolment Services CRM, Technolutions Slate Team, including contributing to the development and implementation of all communications, processes and procedures, development of queries, innovation, process documentation, staff training and liaison with Slate. This position has a work week of 32.5 hours from Monday to Friday with occasional evenings and weekends required. This position will not exceed two years.

Nature of Duties & Responsibilities:

- Prepare the annual Slate cycle;
- Create and support timely communications campaigns and strategies within the Slate;
- Write a variety of different content to support communications and marketing efforts including newsletters, emails, website copy, social media posts, digital content, and brochures;
- Track and report analytics on marketing and communications campaigns;
- Create recruitment, admissions and financial aid letter templates;
- Manipulate data and perform import/export of data between multiple external sources;
- Organize CRM data for the purposes of informing, planning, decision support, assessment and reporting;
- Write queries;
- Improve process management;
- Collaborate across the Enrolment Services team to support strategic use of Slate to meet enrolment goals;
- Demonstrate knowledge of and enthusiasm for collaboration on systems and processes as well as sensitivity to diversity issues and a commitment to building a culturally and economically diverse applicant pool.
- Performs additional similar / related tasks as required.

AFFICHAGE 21-29 (Poste temporaire À temps plein)
