

Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Link's Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

Description

Our Rogers Finance team is at the core of our organization, supporting all of our projects across every line of business. By providing financial support and guidance, our teams rely on our Finance partners to help make strategic, data-driven decisions that will have an impact on our growth and profitability for years to come. Our Finance team is growing and is looking for like-minded thinkers who are passionate about telling stories through numbers to help take our investments in innovation to the next step. In turn, our Finance team is also committed to the growth and development of their team members. We offer advanced learning through Rogers Finance Transformation, support our colleagues in maintaining their professional designations, and offer a challenging work environment with fulfilling results to help balance both financial and business acumen. Your journey is filled with limitless possibilities, Let's make your possible. As a Senior Financial Analyst, Content Costs, Home and Business Finance, you will provide professional and reliable financial stewardship as it relates to month-end reporting, planning responsibilities and vendor remittance. This position will work cross-functionally to provide value-added analysis and act as a contact for initiatives that require data support and interaction with vendors. Ideal candidate must be a strategic thinker to connect financial results to business impact, have excellent interpersonal skills and the ability to balance various tasks in a timely manner in a fast-paced environment. What you'll be doing: Responsible for month-end actuals for cost of service including journal entries, reporting and analysis; Prepare monthly Video content cost and wireless remittance calculations; Must be able to meet monthly deadlines for Accounts Payable, Treasury, and remittance reporting; Assist with management of financial models for forecasting/budgeting/month end reporting; Pursue opportunities for improvements in process, cost of sales expense improvements and maximization of return on investments; Work with Video content management team to ensure accurate representation of KBIs related to their respective areas; Work with Controller team to understand balance sheet reconciliations; Lead special projects as needed; Ad-hoc reporting and analysis as required; What you have: 3 to 5 years of progressive experience in an accounting or financial analysis environment; Strong technical accounting skills with an accounting designation, CPA, or MBA; Strong critical thinking and analytical skills with a curious nature including analysis of large data sets, and the ability to connect dots from multiple information/data source; Must have a mindset for continuous improvement; Able to adapt and work effectively within a variety of situations, adjusting easily to a changing job demands and manage multiple deliverables at the same time; Highly proficient in Microsoft Office suite of products, advanced Excel knowledge required; Intermediate knowledge of SAS/SQL, Essbase and Oracle EBI would be an asset for this position; Self-starter and ability to work independently and as part of a team; As a condition of hire, all new employees will be required to provide proof of vaccinations against COVID 19. Any request for an exception under Human Rights legislation must be supported by evidence to be considered by Rogers on a case by case basis. Please click [here](https://performancemanager4.successfactors.com/RCI/Medical_Exemptions_to_Covid_19_Vaccination_EN.pdf) to review conditions that may qualify for medical exemption to the COVID-19 vaccine. Schedule: Full time; Shift: Day; Length of Contract: Not Applicable (Regular Position); Work Location: 333 Bloor Street East (012), Toronto, ON; Travel Requirements: Up to 10%; Posting Category/Function: Finance & Accounting & Financial Planning and Analysis; Requisition ID: 232791; Together, we'll make more possible, and these six shared values guide and define our work: Our people are at the heart of our success; Our customers come first. They inspire everything we do; We do what's right, each and every day; We believe in the power of new ideas; We work as one team, with one vision; We give back to our communities and protect our environment; What makes us different makes us stronger. Rogers has a strong commitment to diversity and inclusion. Everyone who applies for a job will be considered. We recognize the business value in creating a workplace where each team member has the tools to reach their full potential. At Rogers, we value the insights and innovation that diverse teams bring to work. We work with our candidates with disabilities throughout the recruitment process to ensure that they have what they need to be at their best. Please reach out to our recruiters and hiring managers to begin a conversation about how we can ensure that you deliver your best work. You matter to us!
