

Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Link's Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

Description

Come play a key role in building the future of Sports & Media! Everyone wants to be part of a transformational team and that's exactly what we're building at Rogers Sports & Media. A team that innovates and a team that wins. At Rogers Sports & Media we are committed to creating and growing teams that are digital-first, fast-moving and bold-thinking and are focused on delivering impact with everything they do. Our impressive collection of assets includes media properties, sports teams, sports events & production, venues, e-commerce platforms and a close connection with our Connected Home and Wireless team. Collectively, we touch 30 million of Canadians every month! Not only is our business strong, but so is our culture. We genuinely care about each other and working in an environment that allows each of us to bring our best authentic selves to work. That starts with our firm commitment to a diverse, inclusive and safe workplace. We're also dedicated to giving back by using our media megaphone to help Canadians who need it most. Our team is All IN on diversity and inclusion; find out more at <https://www.allinforequity.ca>

As we grow our team, the well-being of our team members remains our top priority. To ensure the health and safety of our team members, including those in the recruitment process, our team members are temporarily working from home. Are you up for the challenge and the fun? If so, consider the following opportunity!
We are looking for a **Vendor Analyst**; which is a key position in the Rogers Digital Media team whom will support the procurement and vendor relationship process.

This role supports both the 3rd Party vendor manager and internal stakeholders (Radio, TV, Sportsnet, procurement and finance etc) to ensure the smooth and timely acquisition of products and services, contract renewal and cost analysis. This includes new vendor setup in our systems, the issuance and monitoring of purchase orders, cost splits and allocations, proper cost coding, and follow ups on invoices with Accounts Payable and vendors, with a focus on compliance, timeliness, and accuracy.

This role also requires the individual to understand Rogers' procurement contracts and policies to assist with contract compliance, payment validation, as well as finding opportunities for efficiencies to optimize third party spend.

Accountabilities:

- New vendor set-up and vendor maintenance in the financial system (Ivalua, Oracle).
- Creation, monitoring and communication (internally and externally) of department, RSM Purchase Orders.
- Liaison with finance for internal allocation of costs as appropriate.
- Validate and process invoices for all services and send them to Accounts Payable in a timely manner in accordance with signature of approval policies and deadlines.
- Organization of files (invoices, purchase orders, relevant emails) in a central repository for ease of communication and sharing of information.
- Create and champion process improvements for: Invoicing & purchase orders between departments; the organization of SharePoint sites; and the effective utilization of all reporting functionality in Oracle related to Purchasing and Accounts Payable
- Ensure the Digital Media and its vendors are in compliance with security, software and technology licenses, cloud agreements, SLA's and warranty. Optimize as appropriate.
- Recommend effective license strategy options during the acquisition of licenses, support and related agreements.
- Assist in estimating costs (license related) during the planning process; facilitate licensing audits and coordinate remediation activities when

necessary.

Provide the Manager, Procurement as well as Finance with ad-hoc support as required.

Track usage forecasts and make recommendations on action as appropriate.

Skills

#160;and Qualification:

Post-Secondary school in a relevant discipline or a combination of education, training and experience deemed to be equivalent
