

Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Links Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

Company	McMaster University	
Location	Hamilton, ON	
Date Posted	From: 2019-04-15	To: 2050-01-01
Job	Type: Full-time	Category: Education

Description

Applications are invited for a one-year, full-time Contractually Limited Appointment (CLA) at the rank of Lecturer or Assistant Professor, commencing July 1, 2019, in the Indigenous Studies Program at McMaster University. A package of benefits as well as a professional development allowance will be provided. The successful candidate will teach undergraduate courses on topics including, but not limited to: Indigenous Health, Theory and Methodologies, Indigenous Sovereignty, Indigenous Politics, Indigenous Open Topics. Successful candidates must have at minimum of a Master's Degree in Indigenous Studies or a closely related field. Preference will be given to those with experience and expertise teaching undergraduate courses in Indigenous Studies. The teaching load is six three-unit courses across two terms, with three courses offered in the Fall term and three courses offered in the Winter term. The position is initially for one-year but is renewable subject to good performance and continued funding.
