

Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Links Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

Description

Vernon Jubilee Hospital is seeking a regulated Pharmacy Technician to fill a Temporary Full Time line until the incumbent returns. This is your chance to join the newest pharmacy facility in Interior Health and work with state of the art equipment alongside a dedicated Pharmacy team that is working hard to build clinical pharmacy practice across Interior Health!

As a registered Pharmacy Technician, you will operate in accordance with the competency guidelines and the scope of practice and standards of practice as outlined by the College of Pharmacists of BC.

Typical Duties and Responsibilities:

- Processes medication orders that are clinically reviewed for therapeutic appropriateness and approved by a Pharmacist.
- Receives verbal and non-verbal prescriptions from practitioners and ensures that prescriptions are complete and authentic.
- Prepares, processes and compounds prescriptions.
- Ensures the accuracy and completeness of dispensed prescriptions prepared by self or others by verifying order entries and/or performing the final check of dispensed prescriptions.
- Processes prescriptions for temporary inpatient leaves of absence.
- Transfers prescriptions to and receives prescriptions from other pharmacies.
- Enters and ensures the accuracy and completeness of drug and personal health information in the Pharmacy information system.
- Maintains stock levels and performs clerical duties as assigned.

We are particularly seeking candidates with previous hospital pharmacy experience.

Come and join us! Our focus is on giving people room to grow, to make an impact in the lives of others.

Credentials

- Current practicing registration as a Pharmacy Technician with the College of Pharmacists of British Columbia.
