

# Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Links Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

Title: Student Navigator

Unit/Project Description: For Department use only. A Student Navigator is required for the Bachelor of Health Sciences (Honours) Program at McMaster University in the Faculty of Health Sciences. The BHSc (Hons) Program is a unique, interdisciplinary program studying health, wellness, and illness, offering an understanding of health from diverse perspectives, and developing a profile of skills conducive to leadership, advocacy, collaboration, and self-direction. Reporting to the Assistant Dean of the BHSc (Hons) Program, the Student Navigator will be a team player as part of the BHSc (Hons) administrative team.

Job Summary: Responsible for providing front-line service and support to students in areas of transition, in navigating the academic and other support systems within the program, Faculty, and University for the purpose of achieving academic success and well-being. Assist with the development of programming to enhance students' own capacities for resilience, peer support, and self-advocacy. Support faculty and program staff in providing assistance and information to students regarding undergraduate programs, and general academic and registration procedures and policies.

Purpose and Key Functions:

- Act as a first point of contact to the student community, respond to inquiries and provide information related to student services that are specific in nature and require a thorough knowledge of established policies and procedures.
- Assist in identifying barriers and other systemic or procedural issues within the program and forward these observations to program, department or Faculty leads.
- Deliver information at presentations and workshops.
- Attend and participate in meetings.
- Collect, analyze, assess, and summarize information relevant to the decision making process to support new initiative for students.
- Conduct database, literature, and web searches to find references and articles used for a variety of documents, reports, and publications.
- Refer students to appropriate resources on campus.
- Update and maintain information in a variety of databases and spreadsheets.
- Consult relevant documentation and liaise with appropriate resource persons to obtain and provide information on a variety of diverse issues.
- Plan and coordinate a variety of events and activities such as conferences, seminars, and workshops.
- Format, word process, edit and proofread a variety of documents and materials.
- Update and maintain information on websites and social networks.
- Write a variety of documents such as correspondence, procedure manuals, reports, and minutes. Assemble, copy, collate, and disseminate a variety of documents and materials.

Supervision: Occasionally provides orientation and shows procedures to others.

Requirements: Bachelor's degree in Health Sciences at McMaster University.

Assets: For Department use only.

Additional Information: Candidate must be a recent graduate (2 years or less) of the BHSc (Hons) Program at McMaster.
