

Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Links Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

Description

Great company. Great people. Great opportunities. United Rentals is North America's largest pump, tank, and filtration equipment rental supplier. Our Fluid Solutions teams offers our customers complete fluid transfer, treatment and containment solutions. We offer the broadest range of Fluid Solutions products including tanks and boxes, pumps, filtration, pipes, hoses, and fittings, berms and telematics, all delivered by the strongest customer service team in the industry. As a Service Tech III within the Fluid division at United Rentals, you'll use your skills to perform maintenance tasks as well as minor repairs on equipment in a safe and professional manner. You will be responsible for troubleshooting, maintenance and repair of dryers and pumps. Every day, you can improve and challenge yourself, and if you have the desire and ambition, you'll have the potential to work towards higher level Tech roles in our Service Department. Like every member of our team, we will rely on you to provide exceptional customer service to our customers. If you would enjoy the chance to make your mark with the world's largest equipment rental provider, consider a future with United Rentals. We'll provide the training, tools, the technology and the support you need to do the job right. You will also be supported by a strong management team that will help you achieve your goals. Additional duties include the following:

- Responsible for service documentation
- Travel to customer sites
- Train lower level Technicians
- Demonstrate equipment for customers
- Assist with pick-up and delivery of equipment & parts
- Other duties assigned as needed

Job Requirements:

- High School diploma or equivalent
- 3-5 years of experience with repairing and maintaining dryers and pumps of various sizes, capacities and manufacturers
- Own the tools applicable to position
- Knowledge of construction equipment
- Strong mechanical background knowledge particularly with various engines
- Superior customer service, teamwork and verbal/written communication skills
- Valid driver's license with acceptable driving record
- Ability to frequently lift items up to 45 lbs.

At United Rentals, the largest equipment rental company, we believe that it takes great employees to build a great organization - and we're passionate about helping our people grow professionally and embrace teamwork in everything they do. Our culture is based on our corporate values and centers on mutual respect, job satisfaction, diversity and a shared responsibility to build a better future.
