

# Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Link's Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

### Description

Come play a key role in building the future of Sports & Media! Everyone wants to be part of a transformational team & that's exactly what we're building at Rogers Sports & Media. A team that innovates and a team that wins. At Rogers Sports & Media we are committed to creating and growing teams that are digital-first, fast-moving and bold-thinking and are focused on delivering impact with everything they do. Our impressive collection of assets includes media properties, sports teams, sports events & production, venues, e-commerce platforms and a close connection with our Connected Home and Wireless team. Collectively, we touch the lives of 30 million Canadians every month! Not only is our business strong, but so is our culture. We genuinely care about each other and working in an environment that allows each of us to bring our best authentic selves to work. That starts with our firm commitment to a diverse, inclusive and safe workplace. We're also dedicated to giving back by using our media megaphone to help Canadians who need it most. Our team is All IN on diversity and inclusion; find out more at <http://www.allinforequity.ca> & [www.allinforequity.ca](http://www.allinforequity.ca). Are you up for the challenge and the fun? If so, consider the following opportunity! Today's Shopping Choice is a leading interactive, multi-channel retailer, offering a vast assortment of exclusive products and top brand names to its customers. As one of Canada's most innovative and diversified retailers, The Shopping Channel incorporates entertainment, inspiration, personalities and industry leaders to provide a unique shopping experience, where customers find exceptional selections in Health & Beauty, Jewellery, Home/Lifestyle, Fashion/Accessories, and Electronics. As the only live broadcast retailer in Canada, we operate within various channels of Broadcasting, Digital & Call Centers. Today's Shopping Choice currently looking for a Broadcast Technician who will work as part of our team in maintaining production facilities including studio production equipment, web encoding, non-linear editing, server maintenance, ENG equipment, master control, etc.. The ideal candidate will possess extensive knowledge of a broadcast environment and can bring that experience to bear to develop and deploy technical solutions to support TSC production and distribution needs. This position requires a person with initiative, project management and problem-solving skills and adaptability. Ours is a challenging, ever-evolving world, where your contributions can make a real impact. What you will do.

- Perform technical maintenance and troubleshooting for TSC production facilities as required.
- Work collaboratively with staff at TSC to support on air operations.
- Develop preventative maintenance plans, schedule and implement same.
- Liaise with production staff, editors and promo producers to respond to their technical faults, issues and priorities.
- Assess faults, prioritize and report on completion or remedy.
- Provide on-site technical support for productions as assigned.
- Review, test and install new equipment and systems.
- Provide training on new installations as required.
- Support and maintain TSC systems including servers, IPV Broadcast MAM, network/broadcast infrastructure, and applications.
- Liaise with internal IT staff to ensure hardware and application compliance with corporate standards and policies as required.
- Cultivate positive relations with staff, guests, vendors and suppliers.
- Perform all required administrative duties including fault reports, monthly reports, time and attendance, purchasing and ordering of equipment.
- Adhere to all policy and legal requirements under Health and Safety Legislation.

What you will bring...

- College diploma in Electronics and/or Computer Sciences or equivalent experience.
- Proven experience in a live broadcast environment.
- Solid understanding of broadcast engineering relevant to live digital production environment plus automated server based MAM operations, and Fibre Distribution systems.
- Working knowledge of AutoCAD and/or Visio.
- In-depth knowledge of digital video and audio systems, networking, network configuration, switches.
- Motivated to provide exceptional customer support and be an active member of the overall production process.
- Basic working knowledge of television production and editing, MAM workflows.
- Highly computer literate with demonstrated competence using desktop applications including Microsoft Office, Adobe Premiere editing, Xpression graphics, EVS, routing configuration, etc.
- Excellent written and oral communications skills.
- Ability to work under pressure, with minimal supervision at remote locations, including managing multiple conflicting priorities.
- Detail oriented and able to establish, communicate and meet deadlines.
- Valid ON class G license with excellent driving and workplace safety records.
- Be available, on a rotating basis, for on-call after-hours support. Be willing to work flexible hours as required for special projects.
- Perform other duties as assigned.

Here's what you can expect in return:

- A competitive salary and benefits that include access to our Employee Share Accumulation Program, Retirement Benefits and a variety of other perks including 50% off Rogers services and Blue Jays tickets.
- A manager who deeply cares about your development and long-term career at Rogers.
- A team that trusts and wants to win together.
- Smart and accomplished colleagues who are focused on both the what and the how.
- Your choice of hardware and software (iPhone or Android/Mac or PC etc.).

Schedule: Full time  
Shift: Rotating  
Length of Contract: Not Applicable (Regular Position)  
Work Location: 59 Ambassador Dr (096), Mississauga, ON  
Travel Requirements: None  
Posting Category/Function: Broadcasting & Broadcast
