

Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Links Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

Description

The Performance Management team is looking for a professional (Senior Analyst) that is ready to take on a challenging and unique opportunity to help contribute to the company's financial reporting. As a member of the Performance Management team, you will be preparing consolidated financial and operational metrics related reporting for the CEO, CFO and other ELT members. You will interact with various cross functional teams including the various business units (Wireless, Residential, Media, Wholesale, etc.). We are looking for an individual that can leverage exceptional business acumen and apply themselves to this high-exposure role. The successful candidate will be expected to synthesize financial data into relevant analyses to support Executive decision-making. Strong technical (Excel/PowerPoint) skills are a desired asset, as the Senior Analyst will be looked upon to take current financial reports to the next level. What you'll be doing: Develop, maintain and present rolling view of our performance against targets against important and changing business and market trends; Support process for collecting and consolidating complex data required for key performance metric analysis and benchmark against competitors; Be a lead on Industry Research on market and subscriber trends; Support your business partners in short and long term planning by identifying, prioritizing and communicating business risks and opportunities through strong financial analysis; Provide value steering analysis, communicate key trends, observations and business impacts; Lead post implementation project reviews and assessments; Provide general assistance with ad hoc work as necessary; What you have: Minimum 3-5 years of relevant work experience; CA/CFA designation; Proficient in Microsoft Office with an emphasis on strong Excel and PowerPoint skills; Ability to visualize data using graphs and charts; Detail-oriented, with an emphasis on quality of work; An understanding of financial metrics (i.e. TSR, EV/EBITDA Multiple) and KPIs; Strong interpersonal skills and ease with communicating with various levels in the organization (including senior management); Strong team skills, but ability to work independently; Very high-level individual contributor with considerable independent judgment; Ability to build strong relationships with business groups and other finance organizations; Experience with data analytics tools an asset; Experience in Telco industry is a big plus. As part of the recruitment process, the selected candidate will be required to provide employment references and successfully complete a criminal background check. Schedule: Full time; Shift: Day; Length of Contract: Not Applicable (Regular Position); Work Location: 333 Bloor Street East (908), Toronto, ON; Travel Requirements: Up to 10%; Posting Category/Function: Reporting and Analytics & Analyst; Requisition ID: 290111. What makes us different makes us stronger. Rogers has a strong commitment to diversity and inclusion. Everyone who applies for a job will be considered. We recognize the business value in creating a workplace where each team member has the tools to reach their full potential. At Rogers, we value the insights and innovation that diverse teams bring to work. We work with our candidates with disabilities throughout the recruitment process to ensure that they have what they need to be at their best. Please reach out to our recruiters and hiring managers to begin a conversation about how we can ensure that you deliver your best work. You matter to us!
