

Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Link's Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

Description

At Rogers, we put our customers first in everything we do. We're committed to creating best-in-class customer experiences for millions of Canadians from coast-to-coast-to-coast. Our Customer Experience team is energetic, empathetic, and dedicated to making a difference; they're passionate about people and ready to do whatever it takes to keep us connected to a world of possibilities and the memorable moments that matter most. If you're someone who's excited by a challenge, takes initiative, and moved to make a difference, you'll find success here. We're growing our customer experience teams and are looking for team members who are committed to make more possible for our customers and Canadians every day. This is a remote role which means you get to work from home! We support and encourage employees to find long term success and explore opportunities that play to their individual strengths and passions. We value lateral moves as much as vertical promotions; we believe all roles should develop your skills, broaden your experience, and help you continue on a journey to building a rewarding career at Rogers. Think you're up for the challenge and the fun? If so, consider the following opportunity! We're hiring for Part-Time Technical Support Consultants where you get to work from home! Join our call centre team starting on June 28, 2023. In this role, you will be supporting customers with their Wireless products and services. Who we're looking for: Technical Support Consultants don't just embrace the latest technology and content; it's part of who they are. We are looking for people to join our team who are excited about our products and services and want to share their knowledge and experience to best support our customers. What you'll do: Connect with customers over the phone to troubleshoot their technical issues through careful and logical processes. Be empowered to resolve customer issues on their first call. Educate customers on their existing products and suggest value-added services. Solve customer problems and take accountability for technical issues by actively listening and asking the right questions. Receive ongoing training and certifications for new Rogers products and services. You should have: 1+ years of customer interaction in a professional role, either face to face or over the phone. A flexible schedule to work in our 24/7 environment. Act as a brand ambassador, educator, problem solver and so much more to help support our customers. Ability to multi-task in a fast paced environment while navigating multiple computer systems. Expert communication and listening skills. Bilingualism (English and French) is a requirement. A good knowledge of English is necessary as this role requires regular communication in English with customers and/or team members in other provinces. What We Offer: We invest in our people to unleash their potential so we can win as a team! As part of the team, you will have access to a ton of amazing resources, discounts and perks. To name a few: Unlimited access to Headspace Premium for mindfulness training. LIVX Fitness Membership to attend classes virtually. Company matching contributions to charities you support. Paid time off for volunteering. Great health and dental benefits, pension plan, RRSP, TFSA and Wealth Accumulation Plan. Employee discounts to our products and services. Work from home as of day 1. We genuinely care about each other and we're committed to fostering an inclusive and diverse workplace at Rogers so all of our team members can bring their whole selves to work. We have employee resource groups that build awareness and a culture of allyship for equity-seeking groups, including groups representing People of Colour, LGBTQ2S+, Indigenous Peoples, Persons with Disabilities and Women. We all bring something different, and we know what makes you different makes us great. We have a remote-friendly culture. In this role, you will be working from home permanently. Wondering what it takes to join our team? Click here to see where your career will take you! As part of the recruitment process, candidates will be required to complete an online assessment and provide consent for and successfully pass a criminal background check.
