

# Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Links Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

### Description

At Rogers, our retail team is the heart of our success. They don't just embrace the latest technology and content; it's a part of who they are. They're outgoing and approachable team members who want to share their knowledge and experience with others. They understand that our customers rely on technology to enhance and simplify their lives and they're excited to show customers how our latest products and services can help.

We're growing our teams and are looking for retail representatives who are committed to innovating by sharing ideas that have real business impacts and creating a best-in-class customer experience for our communities and neighbours in our retail stores from coast-to-coast-to-coast.

Let's help make your passion for the latest technology a career possible. Consider the following opportunity!
