

Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Link's Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

Description

S.C.O. Construction is looking for Carpenter Helpers to join our company. The selected candidates will be working at various locations on site in Kelowna, BC and surrounding area.

Major Job duties include:

- Preparing, fitting, assembling, joining, and removing structural formwork for concrete foundations as directed (flat surfaces, walls, columns, beams and shafts)
- Understanding blueprints, drawings, and sketches to determine specifications
- Preparing layouts in conformance with building codes and contract specifications with supervision
- Assisting carpenters and tradespersons on site in framing houses, erecting walls and building roofs
- Loading and unloading construction materials, and move materials to construction sites
- Maintaining a safe and clean job site

Experience

- Previous job-related work experience is required
- Knowledge of frame and formwork is preferred
- On-the-job training will be provided

Credentials

- Valid Driver's License
- basic security clearance

Education Requirements

Education degree is not required; completion of Secondary School is an asset.

Essential Skills

- Be physically capable of performing the required duties
- Must be able to handle a variety of required equipment and power tools

Work Environment

- Work on flexible hours and by shift
- Willing to work at and travel to various work sites

How to Apply

If this role interests you, please send your resume to us by mail to 2860 Springfield Rd Kelowna BC V1X4M8 or by email to Steven@scoconstructionservices.com.
