Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Links Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

Web Address	https://careers.indigenous.link/viewjob?jobname=30-55-0E-C0-8A-1C	
Company	CN	
Location	Humboldt, Saskatchewan	
Date Posted	From: 2021-12-01	To: 2022-05-30
Job	Type: Full-time	Category: Transportation
Languages	English	

Description

Conductors work as members of two or three person train crews and perform duties associated with the movement of trains, rail cars, and locomotives in rail yards and on the road. They coordinate the assembly of trains and execute any ground work outside the locomotive cab while in the yard or en-route (ex: operating track switches, picking up rail cars, making emergency repairs, etc.).

Responsibilities

The statements in this section are essential job functions that an employee must be able to perform with or without accommodations in order to achieve the objectives of the Conductor job.

Ensuring compliance with all train orders, signals, railroad rules and regulations related to safety and operations

Providing and receiving various forms of oral and printed instructions concerning the movement and placement of rail cars

Assembling/dismantling trains in the rail yard, and picking up/setting off rail cars en-route

Observing, interpreting, and relaying signals to ensure safe train and locomotive movement

Operating track switches to change locomotive and rail car routes

Inspecting the condition of a train and equipment

Making effective decisions when in unfamiliar locations or emergency situations

Communicating effectively with the Rail Traffic Control centre, other train crews and other departments on a regular basis via handheld radio

Training

Successful applicants will participate in an intensive paid training program that includes 11 weeks of training (7 weeks classroom at the CN Campus in Winnipeg, MB and 4 weeks field training). Expenses related to transportation, accommodation and meals while in Winnipeg are covered by the company.

After these initial 11 weeks, candidates will complete a minimum of 45 trips as an extra person on a crew to enhance their knowledge and skills. Successful completion of the entire training program is mandatory in order to work as a Conductor, and includes written exams and field training (including physical requirements).

Working Conditions and Physical Requirements

Working a flexible schedule with regular and predictable attendance, in line with the 24/7 railroading environment (includes night, weekend, holiday work hours, some overtime, and being away from home for extended periods of time)

Pushing, pulling, lifting and carrying up to 90 pounds

Working outdoors in varying weather and environmental conditions

Operating various devices on rail cars and locomotives, such as uncoupling levers and handbrakes

Climbing on and off ladders of moving rail cars

Grasping and holding objects while riding the side of a train

Walking for frequent extended periods

Bending, stooping, squatting, and kneeling frequently

Meeting medical fitness requirements for the position, including those established by the Railway Association of Canada, such as the ability to recognize and distinguish between the colors of signals

Other Requirements

Writing and passing safety and rules exams. (Note: As per collective agreement, subsequent mandatory Locomotive Engineer qualification to retain seniority/employment.)
High school diploma or GED
Obtaining and maintaining Conductors Rule Card
Possessing and maintaining a passport allowing entry/re-entry to the Canada and the United States (in certain specific locations)
Proficiency in both oral and written communications
Assets
Completion of college or vocational/technical school and/or Freight Conductor experience
Relevant work experience in similar working conditions or regulatory/safety environment
Possessing and maintaining a valid driverâ€™s license

Other

CN requires that all employees be fully vaccinated against COVID-19 and provide proof thereof as a condition of employment. The Companyâ€™s vaccination mandate extends to employees of our wholly owned subsidiaries as well as CNâ€™s contractors, consultants, agents and suppliers and anyone who accesses CN properties in Canada.
CN is an employment equity employer and we encourage all qualified candidates to apply. We thank all applicants for their interest, however, only candidates under consideration will be contacted. Please monitor your email on a regular basis, as communication is primarily made through email.
