

Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Link's Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

Description

Supervisor, Educational Development
Centre for Learning and Program Excellence
Position Location: Notre Dame Campus (Winnipeg, MB)
Full-Time Position Available

An eligibility list may be created for similar casual, part-time, full-time, and term positions

Red River College is a leader in applied learning and innovation. Our talented team of employees is passionate about education, innovation and student success. We offer competitive salaries, extensive benefits, and the opportunity for personal and professional growth in a rewarding career.

Duties: Red River College (RRC) is Manitoba's largest institute of applied learning. RRC's Centre for Learning and Program Excellence (CLPE) has recently adopted an Educational Development (ED) model to support RRC's academic schools. The ED role at RRC blends elements of program development, instructor development, and instructional design consultation. The CLPE is looking for an experienced Educational Developer to supervise the newly formed team.

Reporting to the Manager of Learning Technologies and Educational Development, the successful candidate will provide experience and expertise in program development and renewal, course design, and teaching and learning best practices. They will guide their team and the College's programs towards the development of innovative program structures, outcomes, and assessments that enhance our students' learning experiences. They will support the exploration and development of evidence-based teaching methods, champion experimentation and innovative practices, and lead the implementation of educational development strategies that respond to teaching and learning challenges. They will support the development of instructors, courses, programs, and physical and online learning environments. They will have extensive experience in managing relationships, will demonstrate strong analytical, organizational, project management and decision-making skills, and will supervise and oversee the daily operations of the 7 member Educational Development team.

REQUIRED QUALIFICATIONS

- Master's degree in the field of Curriculum & Instruction, Curriculum Development, Education, or a related subject. An equivalent combination of education and experience may be considered.
- Several years' experience in supporting program development in post-secondary institutions, including supporting faculty in developing, revising, and adapting curricula at the post-secondary level
- Experience facilitating workshops and consultations with diverse groups, including industry stakeholders, instructors, College leadership, and students
- Demonstrated ability to engage colleagues and academic partners in meaningful, collaborative dialogue as a team leader and team member
- Expertise with the pedagogy/andragogy of applied education
- Demonstrated knowledge of project management and the ability to manage multiple projects and schedules in an academic setting
- Excellent interpersonal skills with demonstrated ability to interact effectively with stakeholders at all levels
- Excellent verbal communication skills
- Excellent written communication skills
- Values Diversity, Equity, and Inclusion
- Commitment to lifelong learning

ASSET QUALIFICATIONS

- Experience with practicing change management methodologies
- Experience teaching at the post-secondary level in varied formats of delivery (online, blended, face to face)
- Certification in DACUM Levels 1 and/or 2
- Supervisory experience in a diverse work environment

CONDITIONS OF EMPLOYMENT

- Applicants must be legally entitled to work in Canada
- This position may be required to work evenings and/or weekends
