Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Links Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

FACULTY POSITION DIVISION OF NEUROLOGY

Job ID	**34468-4591**
Web Address	https://careers.indigenous.link/viewjob?jobname=34468-4591
Company	McMaster University
Location	Hamilton, ON
Date Posted	From: 2022-05-16 To: 2050-01-01
Job	Type: Full-time Category: Education

Description

The Department of Pediatrics at McMaster University and McMaster Children's Hospital are seeking a full-time academic physician to join the division of pediatric neurology. The successful candidate will join seven other members of the division. The academic focus of this position will be in medical education, including taking over the position of Program Director of the division's Royal College accredited postgraduate training program. Clinically there will be equal participation in comprehensive inpatient and outpatient services offered by the division. McMaster University is internationally recognized for innovations in medical education and pioneering biomedical, epidemiological and health systems research. Located in Hamilton, on the edge of Lake Ontario and the picturesque Niagara escarpment, McMaster Children's Hospital is a tertiary referral center serving a population of more than 2.3 million. The division of pediatric neurology currently consists of seven full-time faculty members with a wide range of clinical and academic interests.   This position will incorporate an academic appointment and salary will be commensurate with the experience and expertise of the applicant. Applicants should be certified (or eligible for certification) by the Royal College of Physicians and Surgeons of Canada in Pediatric Neurology and must be licensed (or eligible for licensure) in the Province of Ontario.   All qualified candidates are encouraged to apply; however, Canadian citizens and permanent residents will be considered first for this position. To comply with the Government of Canada's reporting requirements, the University is obliged to gather information about applicants' status as either Permanent Residents of Canada or Canadian citizens. Applicants need not identify their country of origin or current citizenship; however, all applications must include one of the following statements: Yes, I am a citizen or permanent resident of Canada - or - No, I am not a citizen or permanent resident of Canada.
