

Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Link's Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

Description

Ministry of Children and Family Development

Burnaby

Youth Forensic Psychiatric Services, within the Ministry of Children and Family Development, is mandated to provide inpatient and outpatient Court-ordered and Court-related assessment and treatment services to young persons pursuant to the Youth Criminal Justice Act as well as other relevant federal and provincial statutes.

As part of the Youth Forensic Psychiatric Services Mental Health Team, this position provides comprehensive independent psychological assessments and treatment for youth who have offended, in the community, in the Inpatient Assessment Unit or in custody. The position provides consultation and clinical direction for multi-disciplinary teams involved in specialized counselling and therapy; provides supervision to junior psychologists and clinical psychology students; works with learning institutions in major research undertakings and, represents psychology addressing psychological issues in the planning, development and implementation of assessment and treatment program initiatives.

This position works independently, but is part of a virtual team, and must be able to collaborate with colleagues and managers on branch projects or work assignments. You are an effective communicator, able to successfully establish and maintain effective working relationships with a variety of stakeholders and exhibit a high degree of tact, diplomacy and discretion when dealing with others. If you are a highly motivated and self-directed person who enjoys working in a challenging work environment, where the nature of the work is diverse and complex, we look forward to hearing from you.

Qualifications for this role include:

- Ph. D. in Clinical Psychology and registered with the College of Psychologists of British Columbia.

- Applicants with a Ph. D. and eligible for registration with the College of Psychologists of British Columbia may be considered for appointment at a lower classification. NB: As a condition of continued employment, such an appointee is required to become registered as a Licensed Psychologist.

NOTE: If this education was obtained outside of Canada, you need to confirm it has been assessed for equivalency through the International Credential Evaluation Services (ICES). You must provide a basic report by the closing date of this posting to be considered.
