

Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Links Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

Description

Great company. Great people. Great opportunities. United Rentals, the largest equipment rental company in the world, is offering an exciting opportunity for a division Safety Trainer who is ready to grow their career with the leading company in the industry. To continue our tremendous success and unparalleled growth, we are searching for qualified and ambitious individuals ensures the provision of effective safety training for customers that generates revenue through the company's value proposition. Develops customized safety training courses for key customers. Schedules, conducts, and monitors division safety training programs. Customer Safety Training

- On customer's site, trains customer's employees on required safety training programs and other safety training as necessary.

- Provides expertise on Safety training requirements based on customer account.

- Conducts train-the-trainer sessions on safety training programs for delivery to equipment operators; courses include but are not limited to Combo Forklift, Backhoe, Skid Steer, and Excavator/Mini Excavator. Conducts and coordinates instructor and operator training for customer's employees; courses include but are not limited to MSHA, Red Cross First Aid, Counterbalanced Forklift, Loader, Dozer, Excavator, Boom Lift, Scissor Lift, and Fall Protection.

Internal Safety Training

- Trains United Rentals employees as trainers for various safety courses, ensuring adequate trainers are in place throughout each District in the Region and division.

- Provides division training support when needed to internal instructor trainees, branch employees and equipment operators.

- Maintains internal training network.

Customer Qualification Process

- Works with our sales, marketing and operations functions to support the customer-facing Safety requirements and meet with customers to actively communicate programs and progress of objectives. Proposes customized training packages based on unique needs of each customer.

Job requirements:

- Bachelor's Degree or a combination of college and related work experience required.

- In select markets, bilingual (spanish) required or preferred.

- Minimum of two years of experience in conducting safety training for equipment operators required. Experience conducting train-the-trainer programs is preferred.

- Safety experience or formal safety education preferred.
- Demonstrated mastery of a company safety training program and content delivery is required.
- Knowledge of Federal, State and Provincial occupational safety regulations including OSHA, FAA, MSHA, EPA and health standards such as ANSI, NFPA, NEC and other non-regulatory safety codes and standards required.
- Knowledge of MSHA requirements with associated training programs such as Aerial Work Platforms, Forklifts (Powered Industrial Trucks) as well as New Miner, Annual Refresher and Task Training as required.
- Team facilitation skills and the ability to work effectively in cross-functional settings. Must be a strong team player with the ability to organize, prioritize, handle time constraints and manage shifting priorities.
- Demonstrated mastery of Sales skills such as selling value over price and selling the value of training to our internal sales force and potential customers.
- Basic skills in Microsoft Office suite required
- Excellent oral and written communication skills
- Valid driver's license is required
- Travel approximately 70% of the time
- May need to lift over 20 lbs at times
- Knowledge of Salesforce.com preferred

This position is deemed Safety Sensitive for purposes of United Rentals' policies and procedures. At United Rentals, the largest equipment rental company, we believe that it takes great employees to build a great organization - and we're passionate about helping our people grow professionally and embrace teamwork in everything they do. Our culture is based on our corporate values and centers on mutual respect, job satisfaction, diversity and a shared responsibility to build a better future.
