

Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Link's Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

Business planning expertise rewarded!

Our Business Advisors support and strengthen farm and food operations through business coaching and facilitation in areas of transition, strategic decision making and financial analysis. This position is designated bilingual (English and French), and the successful candidate must be able to communicate in both of Canada's official languages.

What you'll do:

- Regularly meet with farm and food businesses to understand their business needs, review business plans, financial position, coach, and provide insight.
- Develop a strong referral network of business professionals who can further support FCC customers with developing and implementing their business plans and goals.
- Partner with the FCC advisory team across the country to develop tools and resources to support farm business management and transition
- Deliver presentations and content to support the learning needs around business management and transition planning within the industry
- Stay up to date on changes to tax, finance and law while continually growing your soft skills in advisory
- Coach and partner with FCC field teams on farm business management and succession planning issues

What we're looking for:

- Exceptional soft skills complemented by a mature financial and agricultural and/or food industry knowledge
- Leader who builds relationships and embraces change
- Connector who builds win-win business relationships
- Influential, calm communicator able to challenge conventional thinking and practice
- Trusted team member who focuses on the customer
- Problem-solver able to identify and recommend opportunities for improvement
- Great interpersonal skills with a focus on empathy
- Facilitation, mediation, coaching and financial analysis skills
- Ability to travel

What you'll need:

- Undergraduate degree in agricultural finance, business or commerce supplemented with an advisory accreditation and at least four years of experience (or an equivalent combination of education and experience)
