

Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Links Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

However, those legally able to work in Canada and at McMaster University will be given priority. McMaster is strongly
committed to employment equity within its community, and to recruiting a diverse faculty and staff. Accordingly, the
University especially encourages applications from women, members of visible minorities, Aboriginal persons, members
of sexual minorities, and persons with disabilities. Please note: those who have not, at the time of application, been

assigned 260 hours of Teaching Assistantship(s) will be given priority consideration. Those who have already been assigned 260 hours of Teaching Assistantship(s) at the time of application may nevertheless apply. Once the preference note above has been taken into account, applicants who have already been assigned 260 hours of Teaching Assistantship(s) may be offered the position, but in order to accept such offer they must obtain and submit written approval to work such additional hours pursuant to section 2.4.3 of the SGS calendar in the case of graduate student applicants, and from the appropriate Department Chair in the case of undergraduate applicants.
