

# Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Link's Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

### Description

Job Requisition ID: 1106

Primary Location: Ottawa, Ontario

Sector: Commercial

Language Designation: English Essential

Language Skill Levels (Read/Write/Speak): ZZZ

Salary Range: \$73746 to \$92183

Position Status: Permanent Full Time

Security Requirement: Reliability Status

Travel Requirement: Travel not required

Canada Mortgage and Housing Corporation (CMHC) helps Canadians meet their housing needs. As Canada's authority on housing, we contribute to the stability of the housing market and financial system, provide support for Canadians in housing need, and offer objective housing research and advice to Canadian governments, consumers and the housing industry. Prudent risk management, strong corporate governance and transparency are cornerstones of our operations. Our work matters to a great many people and our employees matter to us.

Bring your in-depth research, analytical and problem solving skills to this Senior Strategy Specialist position at National Office.

As a member of the Insurance Strategy Management team, you will actively contribute to developing strategic imperatives for the Insurance sector and assessing our strategy through ongoing research and analysis, including the preparation of reports, briefing material, and presentations using a combination of qualitative and quantitative analysis.

This full time permanent position is an exceptional opportunity for a strategic and client focused individual to achieve his/her professional goals, while creating a sustainable organization that is at the heart of a world leading housing system. Our diverse opportunities and locations across the country enable you to advance and grow your skills, knowledge and career to match your evolving interests and experience.

#### How You Will Be Contributing

- \* Conducting research and analysis and prepare briefing notes, management submissions and correspondence to respond to requests and concerns ensuring an accurate and timely corporate position.
- \* Gather information on what other companies are doing to identify potential issues that will impact CMHC customers and liaise with clients and other departments to clarify issues and identify opportunities for improvement.
- \* Provide research and analytical services, using computer-based tools and skills, during both the early exploratory phases of projects and frequently as part of multi-disciplinary teams.
- \* Ensuring a consistent approach to project evaluation, taking into consideration product/market research on new options; assessment of the technological, economic and demographic environment; risk management research and analysis; market segmentation analysis; risk and marketing pricing; marketing and communications plans; cost benefit, revenue, organizational and public policy impact analysis; implementation plans; and details of business requirements for system changes.
- \* Liaising with stakeholders and staff to collect information in support of the quarterly, annual and ad hoc financial and performance reporting and analysis to management and the Board of Directors.
- \* Working with other stakeholders to gain an understanding of the business drivers and assumptions that underpin financial results and identify improvements or modifications to analysis and reports to meet changing reporting requirements. - Coordinate the development of inputs to the Corporate Plan, Corporate Plan Summary and Annual Report.
- \* Ensuring analysis and recommendations are undertaken within the corporate risk appetite and risk mitigation and/or controls are identified.
- \* Assisting management in the development of the strategic direction for the sector, including development of an environmental scan, monitoring of emerging trends and issues, and analysis of the impacts of existing and new industry regulations and legislation on CMHC's practices and policies.
- \* Conducting competitive analysis and make recommendations to improve and sustain CMHC's position in the marketplace and undertake research into opportunities to better serve relatively underserved populations.

#### What We Are Looking For

- \* A commitment to demonstrating CMHC's values.
- \* Bachelor's degree, preferably in Business, Economics, Finance or a related field and a minimum of five (5) years of related experience or an equivalent combination of related education and experience with increasing responsibility in research, analysis and/or policy development.
- \* Thorough understanding of mortgage instruments and the mortgage industry.- Knowledge of mortgage insurance operations and processes, underwriting, claims processing and real estate, insurance risk analysis and real estate and market housing programs.
- \* Ability to take initiative and work in a multi-team environment or independently.

- \* Demonstrated ability to apply problem-solving techniques and conduct data analysis.
- \* Proven ability to think strategically and develop and implement strategic plans and initiatives.
- \* Strong oral and written communication skills including presentation skills; ability to draft understandable, clear and consistent documents on topics within the areas of responsibility and to explain the content to a variety of audiences.
- \* Demonstrated ability to influence at multiple levels of the organization.
