

Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Links Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

Description

At Lilly, we unite caring with discovery to make life better for people around the world. We are a global healthcare leader headquartered in Indianapolis, Indiana. Our 35,000 employees around the world work to discover and bring life-changing medicines to those who need them, improve the understanding and management of disease, and give back to our communities through philanthropy and volunteerism. We give our best effort to our work, and we put people first. We're looking for people who are determined to make life better for people around the world.

At Lilly, we are inspired to make a difference in people's lives every day - through the discovery of life-changing medicines, better understanding of disease management and support for people living with illness and their families and friends.

Our work today - from our research programs to our volunteer initiatives - is a reflection of our heritage of uniting caring with discovery to make life better for people around the world. We invite you to explore internship opportunities with Eli Lilly Canada, where we work together to make life better for people.

You have an opportunity, to bring your passion, creativity, and organizational skills to help our team meet our goals and objectives.

What you can expect:

The Forecasting and Market Insights intern will have the opportunity to gain experience in business areas such as Forecasting, market research and data analysis

The candidate should be a results and performance driven individual, who demonstrates these qualities with the ability to evaluate complex situations, be adaptable, have excellent time-management skills, willing to learn and have a sense of ownership for the work they do

Major Responsibilities:

Assists in development of business cases by developing market analysis and long-term forecast by drawing insights from data to make quick, well-informed decisions with available information

Collects, analyzes, and interprets various types of data for business, using software such as Power BI to be able to track data on monthly basis

Develop market research document storage and retrieval SharePoint site, and train other employees on using the site

Who we are looking for:

-Student working towards the completion of an MBA. Must be returning to school in the fall

-Previous experience in data analytics for other businesses and skilled in using Power BI, and other similar data analytic software

-Must have strong communications skills, including clear verbal communication, logical written communication, and the ability to listen and integrate what is said

-Must be detail oriented

-Strong Microsoft office skills - PowerPoint, Word, Excel, Power BI

-Dedicated to see a project through to completion

-Ability to work well with others

-Ability to think and act proactively

Eli Lilly Canada is committed to employment equity. We encourage applications from qualified women, members of

visible minorities, aboriginal peoples, and persons with disabilities.

What you can expect from the interview:

- More than anything else, it is going to be a conversation.

- An insight about our company and culture.

All new employees are required to be fully vaccinated against COVID-19 as a condition of being hired by Lilly as described in Lilly's Covid-19 Vaccination Policy. The requirement to be vaccinated is inclusive of any approved boosters, should they be deemed necessary in the future. Deadlines for boosters will be communicated through an updated policy as needed.

Eli Lilly and Company, Lilly USA, LLC and our wholly owned subsidiaries (collectively "Lilly") are committed to help individuals with disabilities to participate in the workforce and ensure equal opportunity to compete for jobs. If you require an accommodation to submit a resume for positions at Lilly, please email Lilly Human Resources (Lilly_Recruiting_Compliance@lists.lilly.com) for further assistance. Please note This email address is intended for use only to request an accommodation as part of the application process. Any other correspondence will not receive a response.

Lilly does not discriminate on the basis of age, race, color, religion, gender, sexual orientation, gender identity, gender expression, national origin, protected veteran status, disability or any other legally protected status.
