Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Links Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

Description

Position Description

We are currently seeking Program Managers/Senior Project Managers for an exciting engagement with a banking client. In this role, you will work with business stakeholders in product, technology, and operations (including corporate support areas such as AML, KYC, Audit, Compliance), service, and sales (retail branches, digital) to deliver on high-profile, complex business projects.

As Program Manager/Sr PM, you will use your strong business acumen to directly manage multiple projects/workstreams from ideation thru to implementation. Working on behalf of an executive sponsor/proxy, you will ensure that program goals and objectives are successfully met within scope, budget, time and quality. In addition to establishing and managing an effective governance process, you will be accountable for all project level updates across stakeholder groups.

**Work from anywhere in Canada or US (Remote)

Your future duties and responsibilities

- Plan the overall program and governance process. Manage and facilitate the successful execution of timelines and milestones
- Facilitate steering committees and other governance events
- Establish workstream/projects within the program. Coordinate with project managers to ensure the activities of all project teams are on track
- Liaise between the delivery leads, and impacted stakeholders to ensure program delivery is performing as planned
- Ensure project artifacts, events and milestones adhere to program objectives and schedule, and the bank's project management processes. Document all program events and milestones
- Prepare program budgets. Manage financial forecasting process at both a project and program level
- Managing risks and issues and taking corrective measurements
- Ensure each project follows the organizations standard procedures

Required qualifications to be successful in this role

- 8+ years working in the financial industry with at least 5 years in a management capacity.
- Deep domain banking expertise in one or more of the following: Deposit origination; Commercial Banking; Payments ACH/Wire; Wealth Mgt, Credit Cards; Personal Lending & Mortgages; Customer Contact Centres; Backoffice processing; AML/KYC and regulatory reporting
- Bachelor's degree in Commerce, Business, or MBA preferred
- Certifications in project management (e.g. PMP) or in progress of working towards a project management designation
- Understanding of agile and scaled agile practices
- Strong familiarity with project management software, such as MS Project, JIRA, Confluence, and Visio
- Excellent analytical and problem-solving skills
- Expertise organization Change Delivery
- Ability to provide guidance and counsel to decision-makers, strategic thinkers, relationship-builders
- Excellent communication skills
- Ability to influence and motivate others
- Excels at conflict management and creating win-win situations

Insights you can act on

While technology is at the heart of our clients' digital transformation, we understand that people are at the heart of business success.

When you join CGI, you become a trusted advisor, collaborating with colleagues and clients to bring forward actionable insights that deliver meaningful and sustainable outcomes. We call our employees "members" because they are CGI shareholders and owners and owners who enjoy working and growing together to build a company we are proud of. This has been our Dream since 1976, and it has brought us to where we are today - one of the world's largest independent providers of IT and business consulting services.

At CGI, we recognize the richness that diversity brings. We strive to create a work culture where all belong and collaborate with clients in building more inclusive communities. As an equal-opportunity employer, we want to empower all our members to succeed and grow. If you require an accommodation at any point during the recruitment process, please let us know. We will be happy to assist.
