

Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Links Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

Physiotherapist

Job ID	40-04-63-D7-FF-A1	
Web Address	https://careers.indigenous.link/viewjob?jobname=40-04-63-D7-FF-A1	
Company	Interior Health Authority	
Location	Golden, British Columbia	
Date Posted	From: 2018-07-18	To: 2019-01-14
Job	Type: Full-time	Category: Health Care
Languages	English	

Description

Golden & District Hospital is presently hiring and looking for a new Physiotherapist to join its Rehabilitation Services Team.

Golden & District Hospital provides subacute care services focusing on rehabilitation and recovery to inpatients in acute care or residential settings who do not require specialized, intensive monitored care. The focus is on improving the function of patients with musculoskeletal and neuromuscular conditions so that they may be safely discharged home. The position is acute, residential, and outpatient care. The volumes of patients change continuously so sometimes one area is busier than another. This position works alongside another Physiotherapist and a Rehabilitation Assistant. Days of work are Thursday and Friday, 07:30 to 15:30. This position is eligible for our comprehensive benefits plan that includes coverage for basic Medical Services, Dental Services, and Extended Health. In addition, a comprehensive Pension Plan is an option for permanent full time employees.

Experience the sights and wilderness of the neighboring National and Provincial Parks - Yoho, Glacier and Bugaboo Parks and Banff National Park in Alberta. Famous for its canyons, spectacular glaciers, craggy mountains and cascading Takakkaw Falls, this area will delight anyone that passes by. Golden may be the perfect jump-off point for extreme outdoor adventure: hiking, river rafting, horseback riding, heli-skiing, hang gliding or anything else that excites you.

Interior Health strives to create an environment where you enjoy the work you do, the place where you work, and the people around you.

Come and join us! Our focus is on giving people room to grow, to make an impact in the lives of others.

Credentials

Current registration with the College of Physical Therapists of British Columbia (CPTBC).

Valid BC Driver's license where required.
