

# Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Links Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

### Description

Ministry of Forests, Lands, Natural Resource Operations and Rural Development

This position can be located in Burns Lake or Smithers, B.C.

Stewardship / First Nation Forester

The Ministry of Forests, Lands, Natural Resource Operations and Rural Development has a mandate to manage specified Crown land and resources in a manner that embraces the economic, environmental and social goals of government.

The role of the Stewardship / First Nation Forester is to provide senior professional services, including providing direction to the stewardship team, and providing recommendations for decision makers within a natural resource program area. The primary role of the Stewardship / First Nation Forester includes: Leading implementation of government to government First Nations agreements, as well as assisting with Resource Monitoring, Silviculture, Timber Supply Review, Strategic and Operational Planning, Land Base Investments and Forest Health.

A career with the Ministry of Forests, Lands, Natural Resource Operations and Rural Development offers an exceptional opportunity to undertake a variety of challenging and rewarding roles, while supporting a healthy work/life balance. Explore the opportunities and value working with our team can offer you: Why work for Forests, Lands, Natural Resource Operations and Rural Development

Qualifications for this role include:

• Degree in the natural resource field or equivalent as recognized by the relevant association.

• Registered, or immediately eligible for registration, with the British Columbia professional association as required by the specialty area (i.e., Association of Forest Professionals, Institute of Agrologists, Professional Engineers and Geoscientists of the Province of British Columbia. Note: immediately eligible for registration is defined as being able to transfer a current membership from an applicable jurisdiction. Applicants must confirm their eligibility with the appropriate BC association (ABCFP, APEGBC, BCIA). Confirmation of registration/eligibility will be required before an offer of employment can be made.

• Experience in participating in consultations/negotiations with First Nations.

• Experience conducting research and analysis related to land use, resource management, social or economic development issues.

• Experience in policy development and implementation.
