

Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Links Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

Description

BMO Capital Markets

BMO Capital Markets is a leading, full-service North American-based financial services provider offering equity and debt underwriting, corporate lending and project financing, merger and acquisitions advisory services, securitization, treasury management, market risk management, debt and equity research and institutional sales and trading. BMO Capital Markets has approximately 2,600 professionals in 32 locations around the world, including 18 offices in North America.

BMO Capital Markets is a member of BMO Financial Group (NYSE, TSX: BMO), one of the largest diversified financial services providers in North America with US\$806 billion total assets and nearly 44,000 employees as of January 31, 2022.

Who we are

Corporate Bankers play a central role in providing client solutions and monetizing lending relationships. We focus on building client relationships, growing strong revenue and aligning with our Investment Banking partners.

What will you do

Summer Analysts start the internship by completing a one-week training and orientation program. During the next 15 weeks, you will gain valuable experience and exposure to a wide number of industries and sectors.

Beyond the on-the-job experience, the program encourages interns to network across various business groups, learn about BMO Capital Markets culture, participate in training seminars, get feedback, and receive coaching and career guidance from dedicated mentors while broadening your skills.

Get connected with various Capital Market professionals through CM Cafe Connex to grow your network.

Upon successful completion of this internship, you may receive a full-time offer for BMO Capital Markets Investment and Corporate Banking.

What's in it for you

As a Corporate Banking Analyst at BMO Capital Markets, you will gain valuable exposure to

different portfolios and client sectors.

Key responsibilities may include:

Processing client requests (e.g. new credit facilities and extensions and/or amendments to existing credit facilities)

Completing annual/interim credit reviews, which include industry and financial analysis comprising of operating performance, cash flow, leverage, coverage and liquidity, and capital-at-risk and other regulatory capital calculations

Monitoring performance of portfolio companies against credit terms and conditions and identify changes in the financial condition of a client

Preparing presentation materials and relationship profitability assessments, which involve liaising with other product and industry groups within BMO Capital Markets

Performing other duties including industry and company-specific research and ad hoc projects for senior management

What are we looking for

Talented, highly motivated individuals who seek to build a solid, comprehensive foundation in the basic skills of corporate banking.

Currently enrolled in an undergraduate or Master's degree program (Non-MBA) with a graduation date of December 2023 or April 2024

A minimum cGPA of 3.4/4.0;

Effective written and verbal communication skills essential for presenting and writing reports;

Finance and Accounting courses with grades "B" or higher;

Demonstrated leadership in extracurricular activities;

Strong financial analysis and modeling skills;

Proficient in Word/Excel/PowerPoint;

Detail oriented;

Fast learner and able to work with limited supervision and adapt to frequent market, systems, and process changes;

Outgoing and personable; team player able to work effectively in small groups;

Knowledgeable in the principles of finance and the financial markets;

Comfortable working in a fast-paced environment;

Previous banking or credit risk management experience preferred

How to Apply:

For your application to be eligible for consideration, please apply to this posting.

Please ensure the following items are submitted in your application:

1. Resume

2. Transcript (Required for application consideration - please upload it in the resume section when applying in BMO's Workday application system)
