

Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Link's Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

Description

Great company. Great people. Great opportunities. As a Service Manager at United Rentals, you'll be the leader of a major maintenance enterprise within the Power/HVAC Division. You'll have the opportunity to hire and motivate an amazing team of Service Technicians and Equipment Associates. You will maintain and repair a variety of specialty rental equipment and support assets assigned to the Power/HVAC fleet to ensure safe operation and readiness for rental. You will work closely with the Branch Manager, and help build a profitable location with your leadership, service and maintenance knowledge, and business management. Sound challenging and fun. Consider getting on the management track at United Rentals, the largest equipment rental company in the world. We'll provide the tools, the technology and the support you need to do the job right. You'll be proud of your employees, your service shop and the work we all do in providing the equipment that helps build our communities. Additional duties include the following:

- Supervise the preventative maintenance, trouble shooting, and repair of a variety of equipment, including but not limited to the following:
Silent Diesel Generators 20kw to 1.5MW
Air-Cooled Chillers 10 to 400 Tons
Rental Industry Air-Conditioners 5 to 40 Tons
Desiccant Dehumidifiers and Negative Air Machines
Electrical Distribution
Load Banks
- Motivate, coach and train technicians to exceed time & quality standards and comply with standard repair and maintenance processes
- Supervise Service Technicians, ensuring safety policies and procedures are followed at all times
- Build strong customer relationships through the delivery of high quality and timely customer service
- Apply United Rental policies to maximize productivity while maintaining a safe work environment in a clean, organized facility
- Manage the shop operating expenses
- Lead, plan, measure and continuous improvement of all service and maintenance performance metrics
- Meet on regular basis with Branch Managers, reporting any problems and discussing possible solutions
- Other duties assigned as needed

Job Requirements:

- High school diploma or equivalent
- 3-5 years of operations and shop management experience with background in repairing and maintaining the equipment stated above
- Intermediate to advanced diagnostic and repair skills for mechanical, hydraulic, diesel, pneumatic and other systems
- Advanced knowledge of heavy equipment, the manufacturers' warranty process, and the work order / time spent accounting process
- Experience on diesel, hydraulic and electrical systems that allows for independent assessment and diagnosis in most situations
- Valid driver's license with acceptable driving record
- Strong motivational and leadership skills
- Excellent customer service skills
- Strong knowledge of maintenance accounting and P&L
- Basic computer skills particularly with Microsoft Excel

This position is deemed Safety Sensitive for purposes of United Rentals' policies and procedures.
