

# Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Link's Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

### Description

Ministry of Municipal Affairs  
Vancouver  
Municipal Utility Operator

The University Endowment Lands (UEL) is an unincorporated area located between the City of Vancouver and the University of British Columbia, with a population of approximately 4,000 residents. The UEL administration office functions in a manner similar to a municipal office within a city or any other incorporated area within the province and provides a similar range of services.

Under the supervision of the Public Works Foreman, the Utility Operator has responsibility and accountability for the UEL municipal water distribution system and sewer systems. In this role you will also be responsible for public works support, including both grounds and municipal general maintenance. The Utility Operator must be certified under the Drinking Water Protection Act and Regulations in order to ensure standards for safety and diligence are met with respect to the water distribution system in the UEL.

The BC Public Service is an award winning employer and offers employees competitive benefits, amazing learning opportunities and a chance to engage in rewarding work with exciting career development opportunities. For more information, please see What We Offer.

The BC Public Service is committed to creating a diverse workplace to represent the population we serve and to better meet the needs of our citizens. Consider joining our team and being part of an innovative, inclusive and rewarding workplace.

For information about the Indigenous Applicant Advisory Service please visit: Indigenous Applicant Advisory Service - Province of British Columbia ([gov.bc.ca](http://gov.bc.ca)).

Qualifications for this role include:

- Secondary school graduation or equivalent.
- Valid Water Distribution Level I Operator Certificate issued by the Environmental Operators Certification Program or ability to obtain within 6 months of employment. Valid Water Distribution Level II and Wastewater Collection Level I are preferable.
- Minimum of two years' experience as a Utility operator or equivalent.
- Minimum of two years' experience in municipal maintenance.
- Valid BC Class 5 driver's licence or equivalent.
