

Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Link's Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

Description

Great company. Great people. Great opportunities. En tant que responsable de l'équipement d'étalement chez United Rentals, vous effectuerez une variété de tâches manuelles pour assurer le bon fonctionnement de la succursale Trench Safety. Votre objectif principal sera de fournir une aide à la main-d'œuvre pour préparer les commandes des clients et entretenir l'équipement de sécurité des tranchées. aux techniciens de service, au personnel de vente et aux autres membres du personnel de la succursale chargés de répondre aux besoins des clients. Ce poste hautement axé sur l'équipe exige votre fiabilité, votre concentration sur la sécurité, la compréhension et le respect des procédures et l'attention aux détails. Vous serez amené à assumer diverses responsabilités et tâches tout au long de la journée. Votre solide éthique de travail, votre fiabilité et votre attitude positive feront de vous un atout pour notre succursale et l'ensemble de l'organisation. Si vous souhaitez avoir la chance de vous démarquer avec le plus grand fournisseur de location d'équipement au monde, envisagez un avenir avec United Rentals. Vous serez soutenu par une solide équipe de gestion qui vous aidera à atteindre vos objectifs. L'excellence dans ce poste stimulant et enrichissant ouvre la voie à des opportunités d'avancement dans notre programme de développement des chauffeurs. Les tâches supplémentaires comprennent ce qui suit :

- Assembler, charger et décharger l'équipement, aider aux livraisons et préparer l'équipement pour la location
- Effectuer des vérifications de routine sur l'équipement de location pour s'assurer qu'il est sécuritaire et en bon état de fonctionnement
- Vérifier l'exactitude des bons de livraison et des retours
- Accueillir les clients et répondre aux demandes des clients concernant l'équipement
- Suggester des équipements et des fournitures pour répondre aux besoins des clients
- Autres tâches assignées au besoin

REQUIREMENTS:

- Planifier, organiser et planifier les activités du technicien de service selon les besoins
- Superviser les tâches de travail et s'assurer que le travail est effectué avec précision
- Gérer le flux de travail dans l'atelier et la cour
- Gérer les calendriers d'entretien des équipements de chantier (chariots élévateurs, nettoyeurs haute pression, compresseurs d'air)
- Travailler avec le superviseur des opérations / le gestionnaire sur les priorités quotidiennes du flux de travail
- Gérer les inspections annuelles (treuil, SRL, ETC)
- Auditer les inspections/Assurer l'exactitude
- Démontrer un solide leadership en matière de sécurité
- Entraînez-vous sur les applications FAST, Yard
- Recommander les meilleures pratiques et les améliorations continues
- Autres tâches assignées au besoin

Exigences de l'emploi:

- Diplôme d'études secondaires ou équivalent
- Permis de conduire valide avec dossier de conduite acceptable
- Expérience dans l'utilisation d'un chariot élévateur de taille moyenne à grande, de préférence
- La connaissance de l'équipement de sécurité des tranchées est un avantage mais n'est pas obligatoire
- Une certaine connaissance des ordinateurs et des applications téléphoniques
- Compétences supérieures en service à la clientèle, en travail d'équipe et en communication verbale/écrite
- Une attention diligente à la sécurité
- L'EPI et les bottes de travail sont fournis par l'entreprise
