

Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Link's Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

Description

You are an energizing, versatile and authentic leader that has the ability to think big and broad, but also enjoys understanding and executing on the details. As a key member of the HR Leadership team, you will represent the VP, Human Resources (VP, HR) in key meetings with internal and external stakeholders, including professional regulatory bodies; health authorities, federal and provincial government departments; educational institutions and unions.

In this newly created role, you will work with Vice President HR and Human Resource Leadership Circle to provide frameworks for planning, designing, implementing and assessing numerous aspects of human capital strategies, programs, and processes in the areas of Organizational Development and Effectiveness, Employee Communications, HR Operations and Advisory Services (including labour relations), Total Compensation, Learning and Development (including talent management, leadership development, training and employee experience), Workplace Health, Safety and Wellness and Projects, Systems and Governance.

Principal Duties and Responsibilities

1. Provides strategic level supports to the VP HR in the development and management of FNHA's annual and long-term strategic and operational human resources plans in alignment with the Multi-Year Health Plan (MYHP) and 3 Year CEO Strategic Roadmap.
2. In partnership with VP HR, develops and implements human resources programs that build upon a common FNHA organizational culture founded upon the 7 Directives, the First Nations Perspective on Health and Wellness and Shared Values.
3. Works with VP, HR and HR Leadership Circle (HRLC) to manage financial resources to meet VP, HR annual mandate and objectives, including breakdowns by specific departments (as applicable), within budget delegated by the CEO to the Vice President, Human Resources in compliance with FNHA financial policies and directives. Financial performance will be reviewed and discussed quarterly with the CEO.
4. Works with VP, HR to ensure accountability and leadership for effective corporate reporting and compliance of HR Mandate.
5. Performs environmental scans for changes and trends with external stakeholders in general HR and health space and recommends how it impacts FNHA policies and practices. This includes, but not limited to, workplace wellness; Human Rights; Occupational Health and Safety related; legalization of marijuana. Follows and understands Advanced Education landscape at the University level for health sciences program and works with VP HR to define and recommend Health Human Resource strategy for FNHA.
6. Represents FNHA interests on and to external committees and organizations such as Ministry of Health, Health Authorities, Standing Working Committee, Joint Project Board, FNHA's legal partners, as assigned by VP HR
7. In absence of VP HR, serves as the primary point of contact for all significant human resource matters and accountable for ensuring excellent leadership, service delivery, management and direction to the FNHA for responses.
8. Plays a key role in the development of leadership, at all levels, consistent with First Nations approaches and teachings, with a focus on developing and increasing the number of BC First Nations and aboriginal leaders across the organization.
9. Champions the concepts of lateral kindness and cultural safety and humility, and the HRLC and HR Department role in their implementation and achievement, both within the team and more broadly within the ecosystem of health and wellness.
10. Oversees and leads HR driven organizational effectiveness and change management initiatives by collaborating and influencing diverse teams, and functional leaders enabling the broader FNHA to adapt to the necessary changes needed to meet goals of FNHA, such as Regionalization, while ensuring long term sustainability. Collaborates with Senior Executive Teams, enabling them to drive the changes across the organization and First Nations communities.
11. In collaboration with SET, VP HR and organization leaders, identifies and facilitates transformational change management opportunities to foster a positive acceptance of change and adoption of desired behaviours and practices.
12. In collaboration with Communications department, develops and implements internal communications campaigns to educate employees on HR initiatives and introduce organization wide changes in a sensitive and culturally appropriate manner.
13. Serves as an internal consultant and executive coach to SET and senior leadership to provide guidance on highly complex matters and facilitate: strategy sessions; team effectiveness; and organization culture changes.
14. Provides the Senior Executive Team (SET) with strategic-level reporting at a departmental level, as applicable. Reporting includes: board committee reports, department progress reports for Senior Executive Team meetings, organizational risks, staff safety concerns and workforce wellness and crisis response, as appropriate.
15. Facilitates, supports, and provides expertise on organizational structure designs, redesign efforts to ensure effectiveness and sustainability through interventions based on programs, processes, and systems aimed at meeting organizational objectives
16. Provides project management for FNHA-wide organizational structural initiatives that require facilitating team efforts and helping to define project goals, timelines, resource requirements and planning to cope with conflict in the plans
17. In partnership with VP HR, provides senior leadership and support to the HR Directors and HR team to ensure that performance plans are developed and that key performance objectives are achieved for all HR staff.

18. Provides strategic leadership to the development and review of corporate policies, executive directives and procedures within the Human Resources portfolio, including adhering to the established annual policy calendar and centralized policy function and bringing the best policy options forward to the CEO for review and approval.
19. Provides operational leadership and direction to implement effective human resources plans, systems, processes, practices, in collaboration with HR Directors and the HR team.
20. Leads and manages a team of professionals to ensure HR services are effectively meeting the needs of the organization define expectations, monitor performance of staff, provide positive and constructive feedback concerning performance levels. Performs full scope of people management responsibilities such as recruitment, wellness, learning & development planning, coaching, performance evaluation and discipline.
21. Provides ongoing consultation, informal training and development, coaching and advice to employees, leaders and other human resources team members
22. Facilitates the process of building strong leadership and team environment with the underpinnings of First Nations culture across HR department.
23. Provides direction, oversight and monitoring of HR service standards and performance metrics.
24. Leads responsibility for HR related risk management and business continuity activities.
25. Introduces and institutionalizes HR audit practices to examine HR systems, policies and procedures to identify strengths and limitations that require resolution and thereby focus on improving and evolving the overall HR services to FNHA stakeholders.
26. Provides input to support the development of corporate policies, executive directives and procedures of other departments and teams, as applicable.
27. Performs other related duties as assigned.
