

Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Links Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

Description

Ministry of Forests : Chilliwack

Senior Licensed Authorizations Officer

The Senior Licensed Authorizations Officer provides specialist services to the Natural Resource Sector in evaluating resource applications, conducting applied research, and leading or participating in complex projects. This position may supervise professional and technical staff.

This position is responsible for providing senior professional services, including providing direction to the stewardship team, and providing recommendations for decision makers within a natural resource program area. The primary role includes: Resource Monitoring, Silviculture, Timber Supply Review, Strategic and Operational Planning, Land base Investments, Forest Health, and Program Staff Management.

The BC Public Service is committed to creating a diverse workplace to represent the population we serve and to better meet the needs of our citizens. Consider joining our team and being part of an innovative, inclusive and rewarding workplace.

For information about the Indigenous Applicant Advisory Service please visit: Indigenous Applicant Advisory Service - Province of British Columbia (gov.bc.ca)

Qualifications for this role include:

- Undergraduate Degree or higher in the natural resource field or equivalent as recognized by the relevant association.
- Registered, or immediately eligible* for registration, with the ABCFP as a Registered Professional Forester (RPF) or equivalent.

Note: Immediately eligible is defined as being registered as a Registered Professional Forester in another Canadian jurisdiction and able to transfer that membership to the ABCFP within 6 months of employment. It is the responsibility of the applicant to have the ABCFP review their qualifications to ensure they have the necessary requirements for registration.

- Minimum 3 years of experience in negotiating and consulting with stakeholders in natural resource management.
- Minimum 2 years of experience (field/office) working in resource management.
- Experience supervising, leading coaching, and mentoring staff.
