

# Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Link's Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

<b>Company</b>	Suncor	
<b>Location</b>	Fort McMurray, Alberta	
<b>Date Posted</b>	From: 2018-08-20	To: 2050-01-01
<b>Job</b>	Type: Full-time	Category: Resource Sector

### Description

LOCATION: Fort McMurray, Alberta (CA-AB)

JOB NUMBER: 24465

Job Overview Reporting to the area turnaround manager, you will play a key role in facilitating field execution and removing road blocks in support of contractor supervision during the execution window. Key Accountabilities

- Liaise with coordinators from diverse groups including but not limited to, mechanical, electrical, instrumentation, insulators and scaffolders
- Contribute to meetings including turnover, execution and updates, risk reviews and HAZOPs
- Craft the turnaround change notice to accurately capture all changes to the scope and schedule
- Participate in pre-job reviews, schedule development and job and schedule optimization activities
- Support and promote the achievement of environmental, health and safety performance targets for the department
- Audit and verify field productivity in areas including schedule, materials and housekeeping
- Uphold and reflect our beliefs and core values

Required Qualifications Experience and Education:

- Seven or more years of experience in maintenance in the oil and gas industry
- Post-secondary education in the mechanical field with preference given to candidates with a Valid Alberta Journeyman Mechanical Certificate or an Interprovincial Red Seal Journeyman Mechanical Certificate; attach your Journeyman / Red Seal ticket with your application in order to be considered
- Possess a valid driver's license and a clean driving record

Skills and Knowledge:

- Deep understanding of industrial plants, facilities and equipment
- Strong computer skills, specifically with the Microsoft Office suite; SAP and Primavera are an asset
- Exceptionally strong communication, relationship building, problem solving and analytical skills
- You demonstrate a high level of motivation, take the initiative to look for continuous improvement opportunities, and thrive in a dynamic and fast-paced environment

Working Conditions

- The schedule for this position is Monday to Friday, with an extended shift of 6 days on, 1 day off, 12-hour days during turnaround events
- If you reside outside of Fort McMurray, relocation of your primary residence to within 60 km of Fort McMurray is mandatory
- Relocation support will be provided; we offer highly competitive housing assistance to eligible candidates

Why Suncor

Go ahead. Expect growth. We want you to have a job you're genuinely excited about - as well as opportunities to learn and challenge yourself or mentor others. Plus, Suncor Energy offers a flexible employee package that can be adjusted to suit the changing needs of your life, including:

- Competitive base salary and compensation programs
- Attractive annual incentive program
- Flexible benefits package
- Rewarding pension and savings plans

Our mission to create energy for a better world begins with caring about the communities we live and work in, while responding to your interests and concerns. Read our Suncor Connections newsletter to see how we're living up to our commitment to keeping you informed. Business Overview Suncor Energy is Canada's energy company - meaning rewarding opportunities for you to apply your knowledge, contribute and grow in a variety of career-building positions. Our business portfolio spans the entire energy sector, from a leadership position in oil sands development, to refining and marketing operations, natural gas, and conventional oil production, internationally and offshore East Coast Canada. And while we are working to responsibly develop petroleum resources and contribute to the communities where we live and work, we are also developing our renewable energy portfolio, which includes wind power and biofuels. As part of Suncor's team, you'll contribute to the ongoing success of Canada's largest energy company - one with a solid track record of growth, a focus on safety and sustainability and tremendous potential for the future. And you'll have the opportunity to learn from experts in the industry and build on your skills every day. Suncor promotes diversity and inclusion in the workplace. Suncor is an equal opportunity employer and encourages applications from all qualified individuals. Suncor is committed to accessibility and accommodations will be provided to applicants upon request. At Suncor, we are dedicated to building a workforce that reflects the diversity of the communities in which we live, and where every team member has the opportunity to reach their full potential. Not sure if this particular listing is the right opportunity for you? Please join our Talent Community at [www.suncor.com](http://www.suncor.com) and click on Careers, or follow us on LinkedIn, Facebook and Twitter for the latest job listings and employment news. Please note that our job postings are typically open for two weeks, so if you are interested and qualified, apply now. JOB CATEGORY: Trade & Operators
