

# Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Links Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

### Description

The following statements are intended to describe the general nature and level of work performed. They are not representing an exhaustive list of all responsibilities, duties and skills required.

Bishop's University is seeking a manager of Experiential Learning for a regular full-time position. Reporting to the Associate Vice Principal Academic, the Manager will oversee a team of EL coordinators in the Williams School of Business, the division of Arts, division of Sciences, and the School of Education.

The Manager of Experiential Learning will guide the community to realize a priority in the University's Strategic Framework (2019-2024) "to expand experiential learning by making experiential education integral to how our students learn, and ensure that all students have the opportunity to engage in one or more experiential learning activities during their studies". The manager will have a strong understanding of the experiential learning landscape in Quebec and Canada.

This newly created leadership role is an exceptional opportunity for an innovative leader to coordinate and support high-impact experiential learning. The Manager of Experiential Learning will play a key role in the development of campus wide EL policies, procedures and performance metrics.

The Manager of Experiential Learning will work closely with Academic Deans, Faculty, Staff and external stakeholders to both consolidate current opportunities on campus and to also help develop and implement new Experiential Learning opportunities, training and events across Bishop's. They must actively demonstrate a commitment to equity, diversity, and inclusion across all EL-related functions. This position has a work week of 35 hours from Monday to Friday with occasional evenings and weekends required.

#### Nature of duties and responsibilities:

##### Priority 1: Project Management and team Building

- Lead the development and integration of Experiential Learning across the University;
- Build relationships with key stakeholders;
- Build and manage the EL team;
- Establish the academic parameters for EL at Bishop's;
- Create and oversee policies for off campus EL opportunities including risk assessment;
- Promote faculty interest in the development of experiential learning opportunities embedded in or to accompany their courses;
- Oversee the creation and maintenance of a University webpage for students and supervisors/partners that describes the variety of EL opportunities currently available at BU;
- Create and maintain a central database documenting all opportunities, (outlines etc.) including defining the key metrics;
- Develop training modules and information sessions (best practices) for faculty university wide;
- Establish best practices (hours, workload) for on campus and off campus work integrated learning opportunities (including Community Service Learning);
- Develop a communication plan to highlight and promote experiential learning opportunities in Bishop's that recruit a large and diverse pool of potential students using a wide variety of communication channels;
- Serve as an advocate for quality experiential learning across the university.

##### Priority 2: Marketing programs to Stakeholders

- Develop and maintain good relationships with alumni, businesses, other academic institutions, governmental bodies, and community organizations (primarily, but not exclusively, located in the Eastern Townships) to secure relevant opportunities for experiential learning opportunities;
- Develop and implement a communication strategy including multimedia platforms and events to advance high-impact experiential learning as a signature element of Bishop's education
- Engage the entire University community, including faculty, advisors, staff, and students and help facilitate an ongoing discussion among administrators, faculty and students concerning the role of Experiential leaning in the mission and vision of the University;
- Provide regular reporting to management on EL;
- Establish and strengthen relationships with municipal and provincial service providers to explore service partnerships to benefit the overall health and well-being of students;
- Explore funding opportunities (municipal, provincial, federal, and private) to expand experiential learning opportunities for students and programming;

##### Priority 3: Assessment and sustainability

- Support EL Coordinators' division or school specific initiatives
- Develop, administer and analyze evaluation surveys for students and supervisors/partners;
- Administer and report on experiential learning grants;

- Report on the effectiveness of the EL programming against the EL priority of the Strategic Framework;
  - Other tasks as assigned.
