

Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Links Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

Description

There is currently one temporary opportunity until April 28, 2023. This opportunity may be extended and/or a permanent appointment may result from this temporary appointment.

Make a difference in this rewarding career opportunity in emergency management.

Emergency Management British Columbia (EMBC) is the lead coordinating agency in the provincial government for all emergency management activities. As such, EMBC's mission is to be responsible to British Columbians for leading the management of provincial level emergencies and disasters and supporting other authorities within their areas of jurisdiction.

The Exercise Specialist provides expert advice and technical leadership for the development and implementation of a comprehensive exercise program related to emergency management for the Province. Exercises range from drills and tabletops to functional, full-scale exercises to support the operational readiness of EMBC in the event of a large scale emergency and/or disaster, with a primary focus on a major seismic event.

The BC Public Service is committed to creating a diverse workplace to represent the population we serve and to better meet the needs of our citizens. Consider joining our team and being part of an innovative, inclusive and rewarding workplace.

Experience

- Minimum of 3 years recent (within the last 5 years) experience in exercise design including development and implementation.
- Minimum of 3 years experience establishing collaborative relationships with internal and external stakeholders to develop exercises.
- Experience leading projects and negotiating, procuring and managing service contracts with multiple internal and/or external partners.
- Experience balancing conflicting values and negotiating/mediating solutions in critical high-stress situations.
- An equivalent combination of experience, education and/or training.

Education Requirements

Diploma or higher in a related field such as disaster and emergency management, resource management, crisis management, law enforcement, police/military science.
