

Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Link's Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

Description

The File Hills Qu'Appelle Tribal Council is a non-profit organization that provides a range of programs and services to 11 First Nations throughout Southern Saskatchewan within the Treaty Four Territory. The position will work as part of the All Nations' Healing Hospital and Health Services team, based at the "All Nations Healing Hospital" located in Fort Qu'Appelle, SK.

Reporting to the Executive Director and/or designate, the Environmental Public Health Officer will work as a member of a multi-disciplinary team in carrying out measures for protecting public health by administering and applying legislation related to environmental public health. This position provides support and services to communities to minimize health and safety hazards by identifying environmental hazards which may affect community members and providing recommendations to Chief and Council.

Education Requirements

Qualifications:

- Bachelor's Degree in health sciences (Public Health) or Environmental health related discipline
- Certificate in Public Health Inspection (Canada)
- 5 years experience in the field of environmental public health
- Knowledge and experience in working with First Nations people, culture, and traditions
- Valid class 5 licence
- Criminal & Vulnerable Sector check required
- Successful candidate must provide proof of COVID-19 vaccination or provide negative tests weekly

Essential Skills

Knowledge, Skills, Abilities:

- Knowledge and awareness of applicable legislation, guidelines and technical information related to environmental public health
- Knowledge of sample collection and interpretation of test results
- Knowledge of the social determinants of health
- Knowledge of occupational health and safety practices
- Ability to work independently and in a multidisciplinary team based working environment
- Ability to synthesize and interpret data
- Exceptional organizational, interpersonal, communications, research, analytical and writing skills

Other

Hours of Work:

Monday to Friday 8:30 am to 4:30 pm (7.5 hrs./day)

Flexibility will be required based on operational requirements

Salary Range:

\$77,868 - \$94,736

Benefits:

Competitive Group Benefits and Pension Plan
