

Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Link's Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

Description

Here's the person we're seeking to join our team:

You're a dynamic, capable, experienced storyteller and strategic thinker with a demonstrated track record of elevating brands. You're fascinated by consumer behavior and can recognize true insights (and not just observations). You know how to visualize data to tell compelling stories. And you've got a knack for identifying breakthrough creative ideas and working with your agency partners to deliver them flawlessly.

But most importantly: you want to be part of a culture of ideas, fun, and learning with smart, hilarious people who do some of the most exciting, successful work in banking and marketing.

Here's a bit more about the job:

Under the direction of the Head of Brand & Social media, this role leads brand strategy and execution for Canada. The role is responsible for the development of innovative, strategic and creative marketing plans designed to increase brand differentiation and consumer/prospect consideration, drive sales and deliver company growth and profit objectives for the Canadian market. The Director is responsible for elevating the level of consumer awareness, brand affinity and brand consideration through the use of TV, streaming, social media, video, out of home, experiential, and differentiated brand communications. The role plays a pivotal part in the development and execution of the overall BMO brand strategy, and includes oversight, synthesis and reporting of quantitative and qualitative consumer research.

In terms of collaboration, the director works with:

The brand team leader in the United States in the development of the brand strategy and is responsible to ensure that all marketing initiatives are integrated and aligned with the long-term direction of the BMO brand and the company's 2025 ambitions.

Line of business marketers and product leads to support the achievement of acquisition goals in Canada.

The bank's sponsorships team to amplify the bank's sponsorships and partnerships, including those with Major League Soccer, BMO Field, Vancouver Marathon, and the Calgary Stampede. And the role collaborates with the director of enterprise marketing to successfully deliver campaigns and messages that illustrate the bank's commitment to its Purpose, including its focus on inclusion and sustainability.

Ultimately, this role must develop innovative, strategic and creative marketing plans designed to increase brand differentiation, reputation, and develop a larger pool of prospective customers willing to purchase the bank's products and services.

Specifically, this role will:

Lead development and execution of quarterly fully integrated brand marketing plans and programs that successfully boost consideration while achieving targets for breakthrough, response and brand impact among consumers; prepare ongoing communications on the impact and progress of the brand strategy and initiatives for senior LOB stakeholders

Identify insights to understand the consumer trends relevant to the business as well as the market, competitive environment and company performance trends.

Understand relevant segments and their motivations to develop targeted initiatives that drive the business forward.

Oversee, synthesize and derive relevant insights from qualitative and quantitative market research

Oversee development and execution of engagement and activation strategies in social media and experiential platforms with dedicated initiatives in support of social impact/inclusion and sponsorship advertising/soccer to drive reputation and affinity for BMO, measured relative to comparable competitor initiatives

Partner with U.S. lead in the development of integrated North American brand media plan, making well-argued case for appropriate levels of funding to support BMO Effect platform, sponsorships, and purpose; a carefully considered media mix; and alignment with likely LOB media efforts

Clarify, test and hone best practice of "full funnel" efforts, collaborating with LOB marketers to articulate a concise, robust framework for testing and learning for integrated campaigns

The successful candidate will have:

8-10+ years of experience in brand building, ideally with a mix of client and agency-side roles

Highly effective interpersonal skills to develop strong relationships

Strong written and oral presentation skills and presence-with strong technical ability with PowerPoint, Excel and Word with exceptional data visualization skills.

Comfortable with being uncomfortable and can effectively manage ambiguity, creating structure and defining opportunities

Highly effective at working in a fast-paced environment and ability to manage multiple deadlines and priorities

Ability to think strategically while working tactically

Razor sharp analytical and problem-solving skills

Minimum of undergraduate degree in marketing, business, commerce, or a related discipline; MBA is welcomed but not required
