

Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Links Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

Description

United Rentals, the largest equipment rental company in the world, is offering an excellent opportunity for a Service Technician III-CES who is ready to grow their career with the leading company in the industry. To continue our tremendous success and unparalleled growth, we are searching for qualified and ambitious individuals to perform maintenance and repairs on our customer owned equipment in a safe and professional manner. Responsibilities will include the maintenance and repair of mechanical, electrical, hydraulic, and diesel systems on a variety of customer equipment and tools. You will also be responsible for service documentation, upsell and demonstration of equipment for customer, and occasional travel to customer sites. Excellence in this challenging and rewarding position paves the way for advancement into higher levels of service technicians and management roles. To be qualified, all applicants must have 3-5 years of experience with repairing and maintaining vehicles and equipment or be a trade school graduate. The ideal candidate will have knowledge of construction equipment, a basic understanding of schematics and diagrams, own the tools applicable to position, and exhibit teamwork, verbal, and written skills. Superior customer service remains the backbone of United Rentals, therefore your willingness and ability to provide this to each customer makes you a top-notch candidate. A high school diploma and valid driver's license with a clean record are required. United Rentals, Inc. is an Equal Opportunity Employer of women, minorities, protected veterans and individuals with disabilities. Equal Opportunity Employer Minorities/Women/Protected Veterans/Disabled
