

Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Links Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

ACADEMIC PLASTIC SURGEONS (RE-POST)

Job ID	52088-9827	
Web Address	https://careers.indigenous.link/viewjob?jobname=52088-9827	
Company	McMaster University	
Location	Hamilton, ON	
Date Posted	From: 2023-05-18	To: 2050-01-01
Job	Type: Full-time	Category: Education

Description

McMaster University, in conjunction with Hamilton Health Sciences is seeking two academic Plastic Surgeons to join our Level 1 trauma hospital to contribute to the reconstructive needs at this site. The academic plastic surgery group is one of the best in the country and McMaster University and Hamilton Health Sciences are committed to strengthening our Division by offering these two positions together to allow unique recruitment. Our vision includes adding two excellent Plastic Surgeons with expertise in either craniomaxillofacial trauma or hand/microsurgical reconstruction. A Fellowship in either would be required. Solid general reconstructive skills are required to support our cardiac, vascular, neurosurgical, general surgery and orthopedic programs. This busy service is supported by six other diversely skilled surgeons for a planned 1/8 call roster. Appropriate access to elective main OR, minor OR and ambulatory clinic space are available. The successful applicant will be expected to show evidence of interpersonal and collaborative skills and initiative to further advance the clinical and academic productivity of the Plastic Surgery Division. A commitment to surgical education at all levels is essential, as well, interest in formal educational roles would be advantageous. Research productivity is also a key asset. A full time Appointment at the appropriate level in the Department of Surgery, Faculty of Health Sciences, McMaster University is required and will be available to the successful applicant. Applicants must have a Fellowship in Plastic Surgery, Certification from the Royal College of Physicians and Surgeons of Canada, or equivalent, and be eligible for licensure in the Province of Ontario. All qualified candidates are encouraged to apply. However, Canadian citizens and permanent residents will be considered first for this position. To comply with the Government of Canada's reporting requirements, the University is obliged to gather information about applicants' status as either Permanent Residents of Canada or Canadian citizens. Applicants need not identify their country of origin or current citizenship; however, all applications must include one of the following statements: "Yes, I am a citizen or permanent resident of Canada" or "No, I am not a citizen or permanent resident of Canada." Applications must include:

- A curriculum vitae
- Description of previous academic experience, as well as specialty training
- Submit a brief statement describing any contributions made or planned in relation to excellence in teaching, research or service within higher education, community-based or other profession settings, and/or advancing equity, diversity and inclusion (2-page maximum)
- Provide the names and contact information of three professional referees; letters of reference are not required and will not be reviewed at the application stage; the Department will request letters of recommendation from referees at later stages of the search process.

Applications will be accepted until June 15, 2023. Submissions may be made to:

Dr. Mohit Bhandari, Professor and Chair, Department of Surgery, Faculty of Health Sciences,
McMaster University Juravinski Hospital & Cancer Centre 711 Concession Street Hamilton ON L8V 1C3 Email
