

Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Links Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

Location	Hamilton, ON	
Date Posted	From: 2023-05-11	To: 2050-01-01
Job	Type: Full-time	Category: Education

Description

McMaster University is located on the traditional territories of the Haudenosaunee and Mississauga Nations and within the lands protected by the "Dish With One Spoon" wampum agreement. Position Description: The Department of Obstetrics & Gynecology is a large multi-site department with over 100 full and part time faculty located at two fully affiliated teaching hospitals, and at community teaching hospitals and distributed education sites. The department provides leading edge women's health care through clinical excellence, innovative research, and effective educational strategies. Faculty of Health Sciences (FHS) faculty members hold almost \$300 million in research funding; FHS is third overall in national research rankings, driving McMaster's ranking as Canada's most research-intensive, medical doctoral university. FHS enjoys close relationships with its academic hospital partners, as well as strong collaborations with researchers in Canada and around the world. We have an unwavering commitment to collaboration, diversity, inclusivity, and equity, strategic partnerships, innovation and excellence, cultural competency and safety, accountability, and integrity. ONE Fertility Clinic located at 3210 Harvester Rd, Burlington, continually strives for excellence in patient experience, clinical outcomes, and staff engagement. As a team, we are committed to promoting a culture of integrity, respect, and compassion for all. Our range of services includes: Consultation for infertility, reproductive endocrinology or reproductive surgery; Controlled Ovarian Stimulation; Intrauterine Insemination (IUI); Therapeutic Donor Insemination (TDI); In Vitro Fertilization (IVF); Intracytoplasmic Sperm Injection (ICSI); Blastocyst Culture; Preimplantation Genetic Testing (PGT) Assisted Hatching; Cryo-Preservation of Embryos, Sperm and Oocytes; a Third-Party Reproduction Program including Donor Egg, Donor Sperm, Gestational Carrier and Donor Embryo (Donor Embryo for ONE Fertility patients only); and Counselling. Our patient referral base, which is primarily in the Burlington/Hamilton region, extends beyond Guelph, Kitchener and Cambridge to the north, Windsor to the west, and Niagara, Oakville and Mississauga to the east. We are seeking a full-time REI Physician to become a member of a team including four other REI specialists. Job duties will include the following: Provide exceptional clinical care in all aspects of REI including infertility consults, IUI, DI, IVF, PGT, and third-party reproduction. Share in a rotation for cycle monitoring (IUI and IVF) as well as procedures (including weekends). Participate in REI call (including weekends). Apply for admitting privileges at Hamilton Health Sciences. Hold a full-time academic appointment at McMaster University, in the department of Obstetrics and Gynecology; and Provide teaching and clinical supervision of medical students, OBGYN residents, and GREI residents.

Qualifications / Required Skills: Certification (or eligible for) in the sub-specialty of GREI by the Royal College of Physicians and Surgeons of Canada (RCPSC). Licensed with the College of Physicians and Surgeons of Ontario (CPSO). Practice an evidence-based approach to infertility care. Exemplary skills for surgery and IVF procedures. Desire for continual personal and professional development through ongoing learning. Ability to work in a fast-paced environment.

How to apply:

Interested applicants must submit a current curriculum vitae to Mosaic Careers Page via McMaster University, and direct all inquiries/applications to: Sew Nagahawatte, Business Director, ONE Fertility Email:

snagahawatte@onefertility.com Phone: 905-634-4440 x 229 Complete applications must be submitted via the University's electronic portal by June 10, 2023 to ensure full consideration:

<https://hr.mcmaster.ca/careers/current-opportunities/> (Faculty Postings, Job#54949.) All applicants will receive an on-line confirmation of receipt of their application; however, only short-listed applicants will be contacted for

interviews. All qualified candidates are encouraged to apply; however, Canadian citizens and permanent residents will be given priority. To comply with the Government of Canada's reporting requirements, the University is obliged to gather information about applicants' status as either Permanent Residents of Canada or Canadian citizens. Applicants need not identify their country of origin or current citizenship, however, all applications must include one of the following statements:

• Yes, I am a citizen or permanent resident of Canada

• No, I am not a citizen or permanent resident of Canada
