Through our partnership with Indigenous.Links Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

Description

Vibrant Healthcare Alliance
Chief Executive Officer
Toronto

\$140,000 to \$160,000 + Benefits & HOOPP

Born out the April 2017 merger of the Anne Johnston Health Station and Tobias House Attendant Care Inc., Vibrant Healthcare Alliance was formed out of the commitment to create a dynamic and more client-centric approach to enhancing the quality of life and health outcomes of individuals living in the Greater Toronto Area, particularly vulnerable individuals with complex needs.

Vibrant Healthcare meets the needs of the community by delivering high quality innovative health and social care programs that include primary healthcare services, health promotion and prevention programs, attendant care and personal support, and community development initiatives. Services are delivered at four sites including the Anne Johnston Health Station site for primary care, health promotion and community programs and three supportive housing sites where attendant care services are provided.

The Opportunity

This is a career opportunity for an experienced leader who has successfully led a publicly funded community health enterprise. A proven executive leader with business management, HR and financial acumen, you will bring together and lead a progressive community health care team that makes a difference in the quality of life in the community and for people living with disabilities, complex older adults and youth with complex needs. The CEO is a strong advocate of community health, and a clear voice for community health centres and attendant care services within the health system.

Reporting to the Board of Directors, the Chief Executive Officer (CEO) is accountable for providing overall leadership to guide the development and successful execution of Vibrant Healthcare Alliance's mission, vision and mandate and for the effective management and administration of its programs and operations while exercising stewardship over its human and financial resources.
