

# Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Links Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

### Description

Ministry of Forests, Lands, Natural Resource Operations and Rural Development  
Chilliwack

Resource Manager

\$76,200.06 - \$107,800.00 annually

Bring your vision, leadership, and strategic planning skills to this important role

The Ministry of Forests, Lands, Natural Resource Operations and Rural Development is part of the BC Public Service and is responsible for land and resource management in BC. We ensure the sustainable management of forests, wildlife, water and other land-based resources and work with Indigenous and rural communities to strengthen and diversify economies. We support activities that provide environmental, economic, cultural and social benefits to all British Columbians.

As the Resource Manager, you will work within natural resource management or infrastructure development (i.e. transportation operations or forest management) and be accountable for managing the delivery of district wide operations consistent with ministry priorities and objectives and legislative requirements. You will also oversee a large team comprised of technical, administrative, and professional staff.

Additionally, in this role you will have considerable independence and autonomy within a collaborative environment, leading a diverse, high performing team comprised of technical, administrative, and professional staff. If you are service and team oriented, eager to work in a variety of challenging roles, a self-starter interested in lifelong learning, developing others and continuous improvement, and passionate about playing a key role in shaping natural resources for British Columbians, we look forward to your application.

Qualifications for this role include:

• University degree or diploma in a field related to natural resource management, business/public administration, or acceptable equivalent; OR,

• An equivalent amount of education and/or experience may be considered.

• Minimum of 5 (five) years of experience in operational management of natural resources.

• Minimum of 5 (five) years of experience leading and coaching diverse teams.

• Experience with financial and human resource management.

• Experience developing and maintaining working relationships and resolving problems with stakeholders in natural resource management or infrastructure development.
