

# Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Links Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

<b>Company</b>	Suncor	
<b>Location</b>	Oakville, Ontario	
<b>Date Posted</b>	From: 2019-05-13	To: 2050-01-01
<b>Job</b>	Type: Full-time	Category: Resource Sector

### Description

LOCATION: Oakville, Ontario (CA-ON)

JOB NUMBER: 28465 Why you should join us: Student positions (including co-ops and interns) at Suncor are more than just a work term. They provide you with significant and meaningful work experiences to help enable you to figure out where you want your career to go &#8211; better yet, many of our students go on to become permanent Suncor employees after they graduate! You will work side-by-side with some of the most talented people in the energy industry, and your work assignments and mentoring will offer you outstanding academic and career growth. In this position, you will support processes related to equipment maintenance at our national retail and wholesale locations, manage initiatives and programs, build reports and provide analyses on asset reliability. The work is largely project and task-based, with some routine work including call handling as a backup to our escalation desk. You will use your expertise to: Review and implement action plans, dispatch appropriate service providers, and monitor the work for timely resolution in a variety of provincial and national projects. Lead safety initiatives at our sites through the tracking of last minute risk assessments with our technicians and service providers, as well as scheduling third party safety audits to ensure our service providers are aligned with safety requirements. Participate in multiple processes and projects such as: ensuring site compliance with the legislations and regulations, asset upgrade programs, and monthly Retailer communication. Generate and analyze reporting for all categories &#8217; reactive and preventative service calls, reporting on fuel and car wash reliability initiatives, and follow ups. Work with a variety of stakeholders, including: construction and maintenance coordinators, legislative and environmental agencies, field sales force, market managers, auditors, and vendors.

We &#8217;d like to review your application if you have &#8230; Must-haves (minimum requirements): Current enrolment in a full-time mechanical engineering degree at an accredited post-secondary institution, and returning to full-time studies after the work term. (Attach your transcripts with your application and indicate your work term availability). Alignment with our values of: safety above all else, respect, raise the bar, commitments matter and do the right thing.

Preference for: Advanced computer skills in the Microsoft Office suite including Word, PowerPoint and Excel, with the ability to do V-Lookups and Macros. Strong computer skills, particularly in Excel and other Microsoft Office suite applications. Exceptional written communication skills with the ability to effectively communicate to internal and external audiences. A self-starter with a continuous improvement mindset who is results oriented and motivated by accuracy. Where you &#8217;ll be working, your work schedule, and other meaningful information: You will work out of our Oakville office, located at 3275 Rebecca Street. Hours of work are a regular 40-hour work week, Monday to Friday. This is a 4 or 8-month work term, from starting in September 2019.

Why Suncor: Start your career at Canada's leading integrated energy company with a &#160;business portfolio &#160;that includes oil sands development and upgrading, offshore oil and gas production, petroleum refining, and product marketing under the Petro-Canada brand. Our global presence offers rewarding opportunities for you to learn and grow in a variety of career-building positions. We live by the value of safety above all else &#8211; do it safely, or don't do it. Our strong track record of growth and a focus on &#160;sustainability &#160;mean tremendous potential for the future. &#160;Learn about our mission, vision and values. Stay connected to us:

- Follow us on &#160;LinkedIn, &#160;Facebook &#160;and &#160;Twitter &#160;for the latest job postings and news
- Join our &#160;Talent Community &#160;and sign up to receive customized job alerts

- Read our Suncor Connections newsletter to see what we're doing in the communities we live and work in

We are an equal opportunity employer and encourage applications from all qualified individuals. We are committed to providing a diverse and inclusive work environment where every employee feels valued and respected. We will consider accessibility accommodations to applicants upon

request. Please note that our job postings are typically open for two weeks, so don't delay, apply now. JOB CATEGORY: Students & New Grads
