

Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Links Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

Description

Ministry of Energy, Mines and Low Carbon Innovation

Victoria

Indigenous Engagement Lead

\$72,724.97 - \$83,014.85 annually

A great opportunity to take the next step in your career and contribute to advancing reconciliation with Indigenous Peoples

The Oil and Gas Division of Energy, Mines and Low Carbon Innovation (EMLI) is responsible for creating an enabling environment that promotes the responsible development of the Province's petroleum and natural gas resources for the benefit of all British Columbians and supports reconciliation with Indigenous Peoples.

The Indigenous Engagement Lead leads and manages Indigenous engagement on strategic policy and legislative initiatives to meet Ministry and provincial consultation obligations and reconciliation commitments.

Accountabilities include identifying issues, ensuring integration of multi-disciplinary expertise and stakeholder opinion, and developing options, solutions, and proposals to ensure oil and gas policy, and legislation, align with the UN Declaration. The position also serves as the Ministry expert on Indigenous engagement matters related to strategic policy and/or legislative initiatives under pertinent Ministry statutes.

Qualifications for this role include:

- Degree in economics, law, public administration, political science, natural resource management, Indigenous studies, or other related discipline; OR,
- An equivalent combination of education, training and experience may be considered.
- Experience with policy analysis and/or policy design and implementation.
- Experience developing and maintaining effective, trust-based relationships with Indigenous peoples.
- Experience designing and executing Indigenous engagement/consultation plans.
