

Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Link's Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

Job	Type: Full-time	Category: Education

Description

ACADEMIC RHEUMATOLOGIST Department of Medicine, McMaster University The Department of Medicine, Faculty of Health Sciences at McMaster University and Hamilton Health Sciences/St. Joseph's Healthcare invite applications for an Academic Rheumatologist to join the Division of Rheumatology. This is a full-time faculty position for a period of three years (renewable). Academic rank will be commensurate with the candidate's qualifications and experience. The successful candidate must have experience and training and commit to clinical care of patients with Systemic Sclerosis (Scleroderma). The successful candidate should show an interest in education and research in Systemic Sclerosis (Scleroderma). Preference will be given to candidates with an interest in the clinical care of other Connective Tissue Disorders and General Rheumatology. The successful candidate will be a full-time member of the Division of Rheumatology and will be expected to contribute to the academic mission of the Faculty and Division. The successful candidate should have a proven track record in undergraduate and/or post graduate education and will be expected to fully participate in all appropriate departmental and divisional educational activities. The successful applicant will be involved in a combination of clinical, research and educational activities. Clinical activities will include assessing and treating patients in the St Joseph Healthcare Hamilton Rheumatology Clinic as well as regional on-call services in rheumatology. Educational activities will include providing education to students, residents, and trainees. Research opportunities include educational, clinical, imaging or in basic sciences (with support from McMaster immunologists). Applicants should be certified (or eligible for certification) by the Royal College of Physicians and Surgeons of Canada and must be licensed (or eligible for licensure) in the Province of Ontario. Please apply online to Job Opening 60723 via the McMaster Academic Careers website <https://hr.mcmaster.ca/careers/current-opportunities/> directing your application to: Lorrie Reurink Manager, Human Resources and Faculty Recruitment Expressions of interest should include: An up-to-date curriculum vitae and cover letter A description of training and research experience as well as the names and addresses of three professional referees.

A brief statement describing any contributions made or planned in relation to advancing equity, diversity, and inclusion inclusive excellence in teaching, research, service within higher education, community-based or other profession settings (2-page maximum)
Letters of reference are not required and will not be reviewed at the application stage; letters of recommendation from referees will be requested at later stages of the search process. All qualified applicants are encouraged to apply; however, Canadian citizens and permanent residents will be considered first for this position. To comply with the Government of Canada's reporting requirements, the University is obliged to gather information about applicants' status as either Permanent Residents of Canada or Canadian citizens. Applicants need not identify their country of origin or current citizenship; however, all applications must include one of the following statements: "Yes, I am a citizen or permanent resident of Canada" or "No, I am not a citizen or permanent resident of Canada." Employment Equity Statement McMaster University is located on the traditional territories of the Haudenosaunee and Mississauga Nations and within the lands protected by the "Dish With One Spoon" wampum agreement. The diversity of our workforce is at the core of our innovation and creativity and strengthens our research and teaching excellence. In keeping with its Statement on Building an Inclusive Community with a Shared Purpose, McMaster University strives to embody the values of respect, collaboration, and diversity, and has a strong commitment to employment equity. The University seeks qualified candidates who share our commitment to equity and inclusion, who will contribute to the diversification of ideas and perspectives, and especially welcomes applications from indigenous (First Nations, Metis, or Inuit) peoples, members of racialized communities, persons with disabilities, women, and persons who identify as 2SLGBTQ+. As part of McMaster's commitment, all applicants are invited to complete a confidential Applicant Diversity Survey through the online application submission process. The Survey questionnaire requests voluntary self-identification in relation to equity-seeking groups that have historically faced and continue to face barriers in employment. Please refer to the Applicant Diversity Survey - Statement of Collection for additional information. Job applicants requiring accommodation to participate in the hiring process should contact: Human Resources Service Centre at 905-525-9140 ext. 222-HR (22247), or Faculty of Health Sciences HR Office at ext. 22207, or School of Graduate Studies at ext. 23679 to communicate accommodation needs
Vaccine Mandate This position is located in a host hospital or other healthcare site that has an active vaccination mandate in place. Successful applicants will need to comply with these and any other health and safety measures necessary as part of their appointment.
