

Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Links Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

Description

Senior Canadian Tax AnalystReference Code: 60786

Location: Canada (CA) - Calgary, AB Job Category: Accounting/FinanceEmployment Type: Employee

Full-timeRelocation Eligibility: This position is not eligible for our relocation programApplication Deadline: 10/28/2019

We all need energy. It warms our homes, cooks our food, gives us light, and gets us where we need to go. It also improves our quality of life in countless other ways. At TC Energy, our job is to deliver that energy to millions of people who depend on it across North America. And we take our job very seriously.Guided by our values of safety, integrity, responsibility and collaboration, we develop and operate our facilities safely, reliably and with care for our impact on the environment. With our presence across the continent, our people play an active role in building strong communities. We're proud of how our hard work and commitment sets us apart and benefits society, every day. We're looking for new team members who share our values and are ready to take on exciting challenges. This role reports to the Team Lead, Canadian Tax Compliance. The opportunityOur team is evolving to meet the needs of our growing business to the Canadian Tax team. We are seeking an experienced Senior Tax Analyst to exercise initiative in an adapting and dynamic environment. You will liaise with Corporate Accounting, External and Internal Legal teams, Treasury and Finance to provide income tax guidance for all of TC Energy's Canadian business units. What you'll do

- Preparing and reviewing tax returns for a large number of Canadian entities (both corporations and partnerships)
- Providing leadership and further developing best practices in compliance with corporate income tax processes as they relate to TC Energy's Canadian entities
- Remaining up-to-date on changes in tax legislation that may impact TC Energy's Canadian entities
- Preparing annual tax provisions for various Canadian entities
- Corresponding with Federal and Provincial tax authorities as required, including the preparation of responses to audit information requests
- Participating in special projects including researching tax issues and presenting recommendations

Minimum Qualifications

- Bachelor's degree in finance, accounting or commerce
- Six to ten years of related experience
- Completion of your CPA designation
- Completion of or near completion of level III in the CPA Canada in-depth income tax course
- An equivalent combination of education and experience will be considered
- Excellent communication and interpersonal skills combined with the ability to interact effectively with senior management
- Strong attention to detail, and a team player having the ability to work effectively under tight deadlines
- Superior analytical and problem-solving skills
- Advanced knowledge of software, in particular MS Excel and TaxPrep

Preferred Qualifications

- Defined project management skills, with an ability to manage multiple and competing priorities
- Demonstrates ability to anticipate and proactively resolve issues
- Working knowledge of accounting and reporting standards, specifically US GAAP, as they relate to income taxes
- Working knowledge of SAP and OneSource Tax Provision

- Working knowledge of rate regulated accounting
