

Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Links Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

Description

Assistant Professor, Global Health Lead Department of Obstetrics & GynecologyThe Department of Obstetrics and Gynecology in the Michael G. DeGroote School of Medicine, Faculty of Health Sciences at McMaster University, Hamilton, Ontario invites applications for 1 (one) geographic full- time position in the contractually limited category, for an academic General Obstetrician/Gynecologist with appropriate experience. The successful candidate will join the staff at McMaster University Medical Centre. The current complement of generalists at McMaster University Medical Centre offer care in Obstetrics and Gynecology for the City of Hamilton and the Ontario Health West Region (Waterloo Wellington, Hamilton Niagara, Haldimand and Brant) covering an area that supports up to 30,000 deliveries per year. This position will oversee Global Health (GH) activities within the department and provide visionary leadership in cultivating and advancing the department's GH initiatives. The successful candidate will oversee and coordinate the development of a graduate level Global Surgery curriculum. Special consideration will be given to candidates with additional postgraduate training beyond a residency program, such as fellowship, masters, or other advanced degree. The successful candidate is expected to have experience and commitment to advising and providing mentorship to medical students and residents -internally and external to McMaster University -and be interested in a career in Ob/Gyn and GH/Global Surgery. The candidate will be expected to fully participate in all of the appropriate departmental and divisional administrative and educational activities. Candidates must have demonstrated capability and interest in clinical research and show evidence of a history of research productivity to align with the departmental academic mission and vision. This is a full-time faculty position in the contractually limited appointment category, for a period of three years (renewable). Applicants should be certified (or eligible for certification) by the Royal College of Physicians and Surgeons of Canada and must be licensed in the Province of Ontario. Academic rank will be commensurate with the candidate's qualifications and experience. Salary is composed of, largely, fee-for-service activities. There is Alternate Funding Plan support for academic and educational activities. For more information about the Department of Obstetrics and Gynecology, please visit: <http://obgyn.mcmaster.ca/>. All qualified applicants are encouraged to apply; however, Canadian citizens and permanent residents will be considered first for this position. To comply with the Government of Canada's reporting requirements, the University is obliged to gather information about applicants' status as either Permanent Residents of Canada or Canadian

citizens. Applicants need not identify their country of origin or current citizenship; however all applicants must include one of the following statements: Yes, I am a citizen or permanent resident of Canada or No, I am not a citizen or permanent resident of Canada.

Commitment to Inclusive Excellence: Equity, Diversity, and Inclusion Statement: McMaster University is located on the traditional territories of the Haudenosaunee and Mississauga Nations and within the lands protected by the “Dish With One Spoon” wampum agreement. The diversity of our workforce is at the core of our innovation and creativity and strengthens our research and teaching excellence. In keeping with its Statement on Building an Inclusive Community with a Shared Purpose, McMaster University strives to embody the values of respect, collaboration and diversity, and has a strong commitment to employment equity. The University seeks qualified candidates who share our commitment to equity and inclusion, who will contribute to the diversification of ideas and perspectives, and especially welcomes applications from indigenous (First Nations, Metis or Inuit) peoples, members of racialized communities, persons with disabilities, women, and persons who identify as 2SLGBTQ+.

As part of McMaster’s commitment, all applicants are invited to complete a confidential Applicant Diversity Survey through the online application submission process. The Survey questionnaire requests voluntary self-identification in relation to equity-seeking groups that have historically faced and continue to face barriers in employment. Please refer to the Applicant Diversity Survey - Statement of Collection for additional information.

Job applicants requiring accommodation to participate in the hiring process should contact: Human Resources Service Centre at 905-525-9140 ext. 222-HR (22247), or Faculty of Health Sciences HR Office at ext. 22207, or School of Graduate Studies at ext. 23679 to communicate accommodation needs.

How to Apply: Interested applicants should submit a copy of their curriculum vitae together with a letter of intent which should include a brief statement on education/teaching, statement of research interests, A brief statement describing any contributions made or planned in relation to advancing equity, diversity and inclusion or inclusive excellence in teaching, research, or service within higher education, community-based or other profession settings (2-page maximum), and the names of three professional referees to the Mosaic Career Opportunities page. Note: letters of reference are not required and will not be reviewed at the application stage; the Department will request letters of recommendation from referees at later stages of the search process.

Applications will be considered until April 3, 2024. For more information about the position, please contact: Dr. Jon Barrett
Department Chair, Obstetrics and Gynecology, Faculty of Health Sciences, 1280 Main Street West, HSC-2F39 Hamilton, Ontario, Canada L8S 4K1 Tel. 905 521 2100 ext. 76696 Email: jon.barrett@mcmaster.ca

This position will begin in 2024 contingent on completion of the recruitment processes and candidate availability.
