Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Links Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

We pride ourselves in making swimwear for all shapes and sizes at ÅªNIKA. All pieces in our online shop are available in a wide range of sizes and are as adjustable friendly as possible, but our custom swimwear option offers a fit that is truly made for your body. One-piece, two-piece, and tankinis are all options - with bra sizes ranging from AAA-J cup. After booking an appointment here youâ€™ll visit us in-store, get fitted, and will be able to see and try on over 200+ style options. Once the style is selected and your own personal changes and alterations have been made, fabric selection is the final step. We have over 150+ print and solid fabrics to choose from!
